Seeds Of Destruction Joe Kennedy And His Sons:

Seeds of Destruction Ralph G. Martin, 1995 Offers a study of the Kennedy men describing how the fiercely ambitious dictatorial patriarch Joseph P Kennedy Sr shaped the destinies of his four sons The Kennedy Legacy Vincent Bzdek, 2024-06-04 John Robert and Ted Kennedy's individual stories can be seen as essentially one each successive brother striving to fulfill the interrupted promise of the brother before The closing of Ted Kennedy's chapter in America's political and cultural life means that for the first time perhaps the real measure of the Kennedy legacy can finally be taken This is a story of a brotherhood in three acts Act I is John F Kennedy's presidency as seen from Ted's front row seat Act II is Robert Kennedy's five brief years as the family standard bearer including his tenure in the Senate with his brother Ted and the memorable 82 day presidential campaign that redefined the Kennedy legacy Act III is Ted's 40 plus years in the Senate as keeper of the flame How did the brothers pass the torch to each other What have the three brothers left us collectively And who carries the torch forward now The Kennedy Legacy compellingly answers these questions and much more **Borgata: Clash of Titans** Louis Ferrante, 2025-01-07 This epic three volume history of the mafia continues with Borgata Clash of Titans covering 1960 to 1985 as the mob comes into conflict with the American political elite and confronts internal wars that will shake the organization to its foundations The first serious external threat to the mafia's existence in America comes from U S Attorney General Robert F Kennedy who repeatedly expresses his desire to eradicate organized crime in America Kennedy unleashes the full force of the U S Justice Department including a slumbering FBI that Kennedy will drag into the fray to the apparent dismay of long time FBI Director J Edgar Hoover The mafia's unforgiving response is executed by Louisiana don Carlos Marcello along with Florida don Santo Trafficante who together take aim at the attorney general's brother the president of the United States With the president dead and the attorney general out of office things return to normal for the mob but internal problems begin to appear within a number of borgatas shaking the mafia to its core Mobster Joe Valachi becomes the first ever public informant when he testifies before a senate sub committee while Brooklyn mobsters Larry Albert and Crazy Joe Gallo launch an insurrection against the founder and leader of their borgata Joe Profaci While the Gallo Profaci civil war is winding down don Joe Bonanno challenges the mafia's ruling body the Commission in a situation that decides if the Commission's central authority can overpower the autonomy of each individual boss As he did in the first volume of this epic history Louis Ferrante continues to debunk myths while adding new insights into other mafia mysteries such as the feud between mafia capo Anthony Tony Provenzano and union leader Jimmy Hoffa revealing the most plausible scenario of why Hoffa died how he was killed and what happened to his body **1960: LBJ vs. JFK vs. Nixon** David Pietrusza, 2018-09-04 1960 aims to take us deeper into the campaign than Theodore White's famous The Making of the President 1960 And it does Chicago Sun Times This is award winning historian David Pietrusza's hard edged account of the 1960 presidential campaign the election that ultimately gave America Camelot and its tragic aftermath It is the story of the

bare knuckle politics of the primaries the party conventions backroom dealings the unprecedented television debates the hot button issues of race religion and foreign policy and at the center of it all three future presidents Lyndon Johnson John F Kennedy and Richard Nixon Terrific Robert A Caro winner of two Pulitzer Prizes and the National Book Award A stirring hard edged political saga An outstanding reexamination Booklist 1960 provides new insights into that year s hard fought pivotal election but more than that 1960 is great storytelling a fascinating can t put it down account of how American politics really works former United States Attorney General Richard Thornburgh Essential for understanding the political forces that in many ways shaped the world we live in today David Mark author of Going Dirty The Art of Negative Campaigning **Just Jackie** Edward Klein,2009-12-16 In this journalistic tour de force bestselling author Edward Klein a friend of Jacqueline Onassis s for many years takes us behind the public image to give us a story that has never been told before For this myth shattering portrait Klein has amassed a wealth of exclusive information from private documents and correspondence FBI files and hundreds of interviews with Jackie s friends the associates of Aristotle Onassis and people familiar with her longtime companion the mysterious diamond merchant Maurice Tempelsman Many people break their silence here for the first time Much more than a portrait of a famous celebrity JUST JACKIE HER PRIVATE YEARS captures the essence of a captivating woman whose passion for wealth was matched only by her deep need for privacy The Murder of Marilyn Monroe Jay Margolis,Richard Buskin,2016-09-20 A New York Times Best Seller Since Marilyn Monroe died among suspicious circumstances on the night of August 4 1962 there have been queries and theories allegations and investigations but no definitive evidence about precisely what happened and who was involved until now In The Murder of Marilyn Monroe Case Closed renowned MM expert Jay Margolis and New York Times bestselling author Richard Buskin finally lay to rest more than fifty years of wild speculation and misguided assertions by actually naming for the first time the screen goddess s killer while utilizing the testimony of eye witnesses to exactly what took place inside her house on Fifth Helena Drive in Los Angeles Brentwood neighborhood Implicating Bobby Kennedy in the commission of Marilyn s murder this is the first book to name the LAPD officers who accompanied the US Attorney General to her home provide details about how the Kennedys used bribes to silence one of the ambulance drivers and specify how the subsequent cover up was aided by a noted pathologist s outrageous lies This blockbuster volume blows the lid off the world s most notorious and talked about celebrity death and in the process exposes not only the truth about an iconic star s tragic final hours but also how a legendary American politician used powerful resources to protect what many still perceive as his untarnished reputation Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors
