Questions We All Face in Life Earl G. Bell, 2013-12 Life can often times be quite difficult Just when things start to going well somehow something comes along and changes that In Questions We All Face in Life author Earl G Bell draws attention to how one may handle those high and low spirits among other topics In his book Earl focuses on situations and questions everyone faces Wouldn t it be nice to relive those fun memories that pop up from time to time even if it were just a flash Should people question those times when things happen such as the loss of a job or not being able to afford that planned weekend getaway Are there any meanings to dreams Is it important to set goals Can getting out into nature really help free the mind In this his first book Earl s goal is to bring attention to those subjects that people tend to not think about but should These are subjects that feed the mind and that can engage you in your own journey of discovery **Seeds of Thought.**

William TAIT (D.D., English Chaplain at Pau.), 1882 **Thoughts in My Garden** Mary G. Ware, 1876 **SOWING Seeds of Your Wishes & REAPING the Fruits of Your Work** Wusu Takyi (Ph.D), 2014-05 Sowing and Reaping is one of the most invoked principles from the Bible In as much as it is an essential principle it is either misunderstood or deliberately misinterpreted Either misunderstood or misinterpreted it does not assist the sincere truth seeker in his effort to faithfully apply the principle for his benefit to glorify God To misunderstand it or buy into the misinterpreted forms of it denies a person what would have been his rightful reward if he understood and applied the right Biblical version of the law Worse still the distorted version lays the basis for potentially firm separation of that person from God This happens when a person realises that what he has long been promised to reap if he sows into a ministry or pastor s life does not materialise Something which from day one of the promise was not going to happen because every seed brings forth the fruit of its kind but not the fruit of other seed which is not of its kind This book is not primarily concerned about the interpreters who consciously distort the message of grace as indicated in Jude 1 4 but concerned about the faithful who have misunderstood the law and even fallen prey to the interpreters spoken about by Jude The faithful is here in this book delivered from sowing wrong seeds and born again into sowing the right seeds which brings forth their kind by the immutable power of the just God The illuminating power of God enshrined in his word is used to shed light on life changing seeds and the fruits they bear

The Soul's Destiny Thelma Jane, 2022-03-25 The Soul's Destiny Discoveries of an Ordinary Christian combines sound biblical research with spiritual autobiography in order to unveil God's living laws of love for a prosperous life here on earth and for the soul in eternity. In her lively style Thelma Jane shares the principles of faith and prayer by which she manifested a successful and happy life. These principles will help you to do the same. By careful theological reasoning supported by a wealth of scriptures Thelma Jane goes on to discuss theological issues including methods of biblical interpretation, the plan of the fall and redemption from Adam to Christ, and revelations concerning God's justice and mercy. The book offers a bold and convincing hypothesis concerning the soul's destiny. The hypothesis transcends the usual division between conservative and liberal doctrine. As an evangelical Thelma Jane believes that a personal relationship with Jesus Christ is the center and goal of our life of faith. So that all may come to Christ, God's plan of salvation may include the possibility of reincarnation. Furthermore, salvation may involve not just the individual but also the collective, not just the person but also soul groups, e.g., families. The Soul's Destiny Discoveries of an Ordinary Christian is far-ranging, intellectually stimulating, personally engaging, warm, inspiring, and uplifting. Thelma Jane gives hope for all who fervently seek to know God through Jesus Christ. Anyone curious about God's laws of love and the soul's destiny will benefit from this book.

Book Review 1: The Soul's Destiny by Thelma Jane is a stunning journey of faith and discovery of self through God's word. Thelma Jane uses her personal experience as a basis for exploring God's spiritual laws and scripture to understand what is expected of us. Her writing is inspirational as her honesty does not hold back from what she believes and even challenges other perspectives on religion. The conversational style makes for an interactive tone and serves as a resource for personal study or conversation by speaking to readers directly. Topics include self-healing and the principles of faith. Salvation is explored deeper in the last part of the book as the focus shifts to include reincarnation, which includes scripture and explanation. The Soul's Destiny explores spiritual growth and discovery through the perspective of someone who has experienced loss, struggle, and obstacles in her journey to understand faith, salvation, reincarnation, and purpose.

Liz Konkel for Readers Favorite Book Review 2: Author Thelma Jane has lovingly crafted a deeply personal account of her journey and her encounters with God's spiritual laws, which results in a deeply enriching experience that provides valuable insights into the complexities of Christian theology and spirituality. Jane's meticulous exploration of theological concepts, supported by a wealth of scriptures, offers a comprehensive perspective on challenging topics such as the nature of God, the fall of Adam, and the possibility of postmortem salvation. The organization of ideas is well done with accessibility to the work, no matter how familiar or unfamiliar you are with the Bible. I also appreciated Jane's balanced approach to reconciling differing perspectives within Christianity while remaining steadfast in her faith.

Overall The Soul's Destiny is a compelling and enlightening read that invites readers to engage deeply with fundamental questions of faith and spirituality I would certainly recommend it to spiritual readers everywhere seeking strength and reassurance K C Finn for Readers Favorite Book Review 3 Does God's justice and mercy demand extra time for some souls to come to spiritual maturity and a saving knowledge of the Lord Jesus Christ According to Thelma Jane in The Soul's Destiny Discoveries of an Ordinary Christian the answer is yes Thelma states that even though the Bible does not implicitly state there is reincarnation the omission does not preclude the possibility What do you know about a Christian form of reincarnation If you are like me you probably figured they are mutually exclusive however Thelma Jane tries to reach a balance between the two philosophies in The Soul's Destiny This book may be hard for traditional Christians to accept However this book is interesting and opens the door to an alternative interpretation of the Bible Read and ponder on it and decide for yourself what you believe Philip Van Heusen for Readers Favorite Book Review 4 Thelma Jane considers herself an ordinary Christian but her visions and observations are extraordinary Using scriptural studies and spiritual reflection she clears up common misconceptions discussing how she has led others to Christ through her testimonies or by simply asking them to a religious service Using true and fictional stories to anchor her points she relates how she believes we may help determine the spiritual fate of our ancestors The author has a conversational style that pulls you in making you feel you're receiving the information from a dear friend Thelma raises some thought provoking questions and she answers them by using her scriptural knowledge and visions The Soul's Destiny may change the way you interpret death and the possibility of reincarnation Courtnee Turner Hoyle for Readers Favorite Book Review 5 The Soul's Destiny is a well detailed book that covers various aspects of the spiritual Christian journey Thelma Jane does a great job of explaining the scriptures and gives helpful insights into her understanding I appreciate that she is honest about not knowing everything and does not seek to force her teachings on anyone Instead she encourages readers to seek their spiritual path and come to their own understanding This humble and open approach makes the book more relatable allowing readers to connect with the message on a personal level The book provides a platform for discussions on topics like horoscopes and reincarnation that may be considered unconventional within traditional Christian teachings which adds a layer of depth and thought for readers The book is well organized and written in a casual conversational tone making it easy to follow and understand The Soul's Destiny is an enriching read that offers valuable insights for those seeking a deeper connection with their faith and God Luwi Nyakansaila for Readers Favorite
