Seeing Is Believing A Novel Of Mystery:

Seeing is Believing E. X. Ferrars, 2009-03-25 Infidelity blackmail unrequited love and sexual perversion are the dirty little secrets that come to light in the staid English village of Raneswood when an amateur actor is found murdered in his home

PLAYING DETECTIVE Robert Eidelberg, 2013-05-28 The intentionally long subtitle to *Detectives* comes close to saying it all about this unique two in one book but not quite *Detectives* is both a book to read for the fun of it and a book to read for self improvement if you are looking to become a better reader thinker and writer The for the fun of it part comes from reading and wondering about the mystery solving skills of the contemporary and classic detectives showcased in these 24 remarkable mystery stories and plays The self improvement part comes from the book's four special features Suspensions How Clever DetectWrite and Don't Peek Multiple Suspensions intermissions in the margins of each mystery are strategically placed to help you to think like a detective and like a good reader Their provocative questions prompt you to note and track clues and to make predictions while you are immersed in the mystery How Clever questions and activities located immediately after each mystery's conclusion give practice in the skills of detection and reflection so vital to the self improvement goal of becoming a more observant reader and more mindful thinker How Clever sections enable you to review the now solved mystery analyze the strengths and weaknesses of your own Suspensions speculations and evaluate just how capable both you and the story's fictional sleuth were in arriving at a solution DetectWrite writing prompts following all the How Clever sections of each mystery help you to establish your own voice as a more effective writer in a variety of writing forms while giving you opportunities to even write like a detective story author At the very end of the book but don't jump to any conclusions the almost 50 pages of the Don't Peek section provide one reader's explanations of the solutions to the 24 mystery stories and plays
