Seeking El Dorado:

Seeking El Dorado Lawrence Brooks De Graaf, Kevin Mulroy, Quintard Taylor, 2001 Traces the history of African Americans in California *Seeking El Dorado* Lawrence B. de Graaf, Kevin Mulroy, Quintard Taylor, 2014-07-01 From the 18th century African Americans like many others have migrated to California to seek fortunes or often the more modest goals of being able to find work own a home and raise a family relatively free of discrimination Not only their search but also its outcome is covered in *Seeking El Dorado* Whether they settled in major cities or smaller towns African Americans created institutions and organizations churches social clubs literary societies fraternal orders civil rights organizations that embodied the legacy of their past and the values they shared Blacks came in search of the same jobs as other Americans but the search often proved frustrating Throughout the 19th and 20th centuries African American leadership in the state consistently focused on achieving racial justice The essays in this book speak of triumph and hardship success discrimination and disappointment *Seeking El Dorado* is a major contribution to black history and the history of the American West and will be of interest to both scholars and general readers *Seeking El Dorado* Deena Phillips Hardin, 2014-10-16 Poems from the writer s view on writing relationships travel family and God *Making Black Los Angeles* Marne L. Campbell, 2016-09-27 Black Los Angeles started small The first census of the newly formed Los Angeles County in 1850 recorded only twelve Americans of African descent alongside a population of more than 3 500 Anglo Americans Over the following seventy years however the African American founding families of Los Angeles forged a vibrant community within the increasingly segregated and stratified city In this book historian Marne L Campbell examines the intersections of race class and gender to produce a social history of community formation and cultural expression in Los Angeles Expanding on the traditional narrative of middle class uplift Campbell demonstrates that the black working class largely through the efforts of women fought to secure their own economic and social freedom by forging communal bonds with black elites and other communities of color This women led black working class agency and cross racial community building Campbell argues was markedly more successful in Los Angeles than in any other region in the country Drawing from an extensive database of all African American households between 1850 and 1910 Campbell vividly tells the story of how middle class African Americans were able to live work and establish a community of their own in the growing city of Los Angeles **The Southern Bivouac** William McDonald, Basil Wilson Duke, Richard W. Knott, 1886 *The Magic of Gratitude: Memoir of a True Story* Jay Pacheco, 2024-11-16 Uncover the Life Changing Power of Gratitude *The Magic of Gratitude Memoir of a True Story* takes you on a transformative journey through the captivating life of Jay Pacheco a psychology student devoted worker and visionary thinker After a life altering car accident Jay discovers how gratitude can heal inspire and elevate the human spirit In addition Jay shares how he turned his pain and frustration into fascination Blending personal stories timeless Stoic Positive Mental Attitude PMA and psychological wisdom and practical tools this book will guide you to Believe in the Unseen Open yourself to

A Companion to California History William Devereaux, David Igler, 2014-01-28 This volume of original essays by leading scholars is an innovative thorough introduction to the history and culture of California Includes 30 essays by leading scholars in the field Essays range widely across perspectives including political social economic and environmental history Essays with similar approaches are paired and grouped to work as individual pieces and as companions to each other throughout the text Produced in association with the Huntington USC Institute on California and the West

West of Jim Crow Lynn M. Hudson, 2020-09-28 African Americans who moved to California in hopes of finding freedom and full citizenship instead faced all too familiar racial segregation As one transplant put it The only difference between Pasadena and Mississippi is the way they are spelled From the beaches to streetcars to schools the Golden State in contrast to its reputation for tolerance perfected many methods of controlling people of color Lynn M Hudson deepens our understanding of the practices that African Americans in the West deployed to dismantle Jim Crow in the quest for civil rights prior to the 1960s Faced with institutionalized racism black Californians used both established and improvised tactics to resist and survive the state's color line Hudson rediscovers forgotten stories like the experimental all black community of Allensworth the California Ku Klux Klan's campaign of terror against African Americans the bitter struggle to integrate public swimming pools in Pasadena and elsewhere and segregationists' preoccupation with gender and sexuality

A Theory of Prudence Dale Dorsey, 2021-04-08 Much of knowing what to do is knowing what to do for ourselves but knowing how to act in our best interest is complex we must know what benefits us what burdens us and how these facts present and constitute considerations in favor of action Additionally we must know how we should weigh our interests at different times past present and future Dale Dorsey argues that a theory of prudence is needed a theory of how we ought to act when we are acting for ourselves A Theory of Prudence provides a comprehensive account of prudence including the metaethics of prudential value the nature of the personal good the reasons of prudence and the structure of prudential normativity over time

African Americans in the West Douglas Flamming, 2009-06-22 Based on the latest research this work provides a new look at the lives of African Americans in the Western United States from the colonial era to the present From colonial times to the present this volume captures the experiences of the westward migration of African Americans Based on the latest research it offers a fresh look at the many ways African Americans influenced and were influenced by the development of the U S frontier African Americans in the

West covers the rise of the slave trade to its expansion into what was at the time the westernmost United States from the post Civil War migrations including the Exodusters who fled the South for Kansas in 1879 to the mid 20th century civil rights movement which saw many critical events take place in the West from the organization of the Black Panthers in Oakland to the tragic Watts riots in Los Angeles
