The Seer of Slabsides Dallas Lore Sharp, 1921 *The Seer of Slabsides* Dallas Sharp, 2021-12-02 *The Seer of Slabsides (Classic Reprint)* Dallas Lore Sharp, 2015-08-05 Excerpt from *The Seer of Slabsides* This title *The Seer of Slabsides* does not quite fit John Burroughs the Burroughs I knew He was a seer A lover of nature he watched the ways of bird and beast a lover of life he thought out and wrought out a serene human philosophy that made him teacher and interpreter of the simple and the near at hand rather than of such things as are hidden and far off He was altogether human a poet not a prophet a great lover of the earth of his portion of it in New York State and of everything and everybody dwelling there with him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Seer of Slabsides** Dallas Lore Sharp, 1910 *The Seer of Slabsides* Sharp Dallas Lore, 2016-06-23 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Roof and Meadow** Dallas Lore Sharp, 2019-12-05 In *Roof and Meadow* Dallas Lore Sharp weaves a rich tapestry of nature writing blending personal reflection with vivid descriptions of the rural landscape The book is structured around the perennial themes of simplicity and the intrinsic connection between human existence and the natural world Sharp's lyrical prose invites readers to experience the tranquility and complexity of life just beyond their doorstep employing a style that is both accessible and poetic Set against the backdrop of early 20th century America this work reflects a burgeoning appreciation for the environment during a time of industrialization bridging the gap between the pastoral and the modern Dallas Lore Sharp was an influential figure in the American nature writing movement known for his dedication to promoting environmental awareness His background as a naturalist educator and author allowed him to hone his observational skills leading him to articulate the delicate balance between man and nature Sharp's experiences living in the rural landscapes of New England significantly inspired his writing as he sought to foster a deeper appreciation for the world around us *Roof and Meadow* is highly recommended for nature enthusiasts literary scholars and anyone seeking solace in the beauty of the environment Sharp's harmonious blend of keen observation and heartfelt prose not only captivates the reader but also serves as a timeless reminder of the importance of preserving the natural world **What the Blackbird said**

Hannah Jane Locker-Lampson,2019-12-18 In *What the Blackbird Said* Hannah Jane Locker Lampson weaves a rich tapestry of themes revolving around nature identity and the inexorable passage of time Through a unique blend of lyrical prose and evocative imagery Locker Lampson captures the delicate interplay between human experience and the natural world Employing a modernist style reminiscent of Virginia Woolf the narrative oscillates between the introspective and the observational delivering a powerful critique of contemporary existence against a backdrop of fantastical elements The novel situates itself within the larger literary context of eco fiction exploring the profound connections between the psyche and the environment Hannah Jane Locker Lampson a passionate advocate for environmental awareness draws upon her own experiences as a naturalist and art historian to inform her writing Her deep rooted concern for ecological issues and fascination with the interplay between art and nature permeate her work encouraging readers to reflect on their relationship with the world around them The author s blend of personal history and academic insight creates a compelling narrative that resonates on multiple levels This book is a must read for those seeking a profound exploration of human connection to nature as well as a reflection on identity and memory Readers who appreciate beautifully crafted prose and thought provoking themes will find themselves enchanted by Locker Lampson s lyrical storytelling and vivid descriptions *What the Blackbird Said* is not only a literary treasure but also an invitation to consider the larger implications of our existence within the tapestry of the natural world

The Hurricane Guide William Radcliff Birt,2019-12-12 In *The Hurricane Guide* William Radcliff Birt masterfully combines scientific rigor with engaging prose to explore the intricate dynamics of hurricanes This comprehensive work delves into the meteorological principles underlying these formidable storms employing a blend of empirical data and compelling narratives Birt s meticulous attention to detail is evident as he articulates the process of hurricane formation the impact of climate systems and the socio economic ramifications of these natural disasters Structured in a way that balances technical information with accessible language this guide serves both as an academic reference and a practical resource for emergency preparedness William Radcliff Birt a prominent meteorologist and environmental scientist is renowned for his extensive research on climate phenomena His firsthand experiences with devastating hurricanes have indelibly shaped his perspective motivating him to produce a work that not only educates but also empowers communities at risk Birt s background in atmospheric sciences coupled with his commitment to public awareness and disaster resilience underpins the urgency and relevance of this guide in our increasingly volatile climate landscape *The Hurricane Guide* is an essential read for anyone interested in understanding hurricanes beyond sensational media portrayals Whether you are a student of meteorology a policymaker or a concerned citizen Birt s guide is an invaluable tool for navigating the complexities of these natural events and preparing for their inevitable impact

Walks and Talks in the Geological Field Alexander Winchell,2021-08-31 In *Walks and Talks in the Geological Field* Alexander Winchell masterfully blends his extensive knowledge of geology with an engaging narrative style that invites both the layperson and the scholar into the fascinating

world of Earth's geological processes. Written during the late 19th century at a time when geology was rapidly evolving as a scientific discipline, Winchell employs vivid descriptions and anecdotal observations to illuminate the natural phenomena encountered in geological fieldwork. This work serves as a crucial bridge between the empiricism of early geology and the more analytical approaches that would come to dominate the field, offering readers insight into the methodological practices of geology during that era. Alexander Winchell was an esteemed geologist and educator whose passion for the natural sciences was manifest in his academic pursuits and publications. Having served as a professor at the University of Michigan, Winchell was deeply engaged with the scientific community, marking him as a key figure in the dissemination of geological knowledge in America. His firsthand experiences in various geological terrains enrich his narrative, providing authenticity and depth that connects readers with nature's dynamic processes. *Walks and Talks in the Geological Field* is highly recommended for anyone intrigued by geology, natural history, or the sciences in general. Winchell's approachable prose not only enlightens readers on geological concepts but also rekindles a sense of wonder for the natural world. Delve into this enriching text and embark on a journey through the layers of Earth where science and storytelling intertwine.

The Way of the Wild F. St. Mars, 2019-12-10

The Way of the Wild F. St. Mars explores the intricate relationship between humanity and the natural world, employing a lyrical prose style that seamlessly blends vivid imagery with philosophical underpinnings. Set against a backdrop of untamed landscapes, the narrative unfolds through the eyes of a young protagonist who embarks on a transformative journey, grappling with themes of survival, identity, and the inherent wildness within all beings. This novel not only reflects the contemporary shift towards ecological consciousness but also draws upon mythological motifs, creating a rich tapestry that resonates deeply within the canon of environmental literature. F. St. Mars, a seasoned naturalist and advocate for wilderness preservation, draws upon personal experiences in remote terrains and cultural folklore to infuse authenticity into his storytelling. His extensive travels and studies in conservation have profoundly shaped his worldview, inspiring him to craft narratives that challenge societal norms and celebrate the interconnectedness of life. His previous works have garnered attention for their immersive characters and evocative settings, paving the way for this profound exploration of the natural realm. *The Way of the Wild* is a compelling read for both those seeking adventure and those drawn to reflective thought-provoking literature. St. Mars invites readers to reconnect with the primal essence of both themselves and the environment, urging a deeper understanding of our place within the natural order. It is a must-read for anyone interested in the delicate interplay between humanity and wilderness.
