and other *science* questions

A colorful illustration of a boy and a girl playing on a seesaw in a park. The girl, on the left, is wearing a purple shirt and red overalls, and is in the air with her arm raised. The boy, on the right, is wearing a red sweater and blue pants, and is sitting on the ground. A white dog is sitting on the left. The seesaw is supported by a red pillar. The background shows a green hill and a blue sky with white clouds. A speech bubble from the boy contains the text 'How can the two of us make the seesaw balance?'.
