Selbstkommentare Doktor Faustusdie Entstehung Des Doktor Faustus:

Overturing Dr. Faustus Frances Lee, 2007 Lee establishes what is actually happening in the novel in its historical setting showing Mann's view of how the acceptance of fascism occurred and the determining role he attributed to the academic community in bringing about the disaster Her book will be of interest to both amateur and professional students of Mann particularly because it points to rich new directions for study **BOOK JACKET** *Selbstkommentare* Thomas Mann, Hans Wysling, Marianne Eich-Fischer, 1992 **The Doctor Faustus Dossier** E. Schoenberg and Thomas Mann two towering figures of twentieth century music and literature both found refuge in the German exile community in Los Angeles during the Nazi era This complete edition of their correspondence provides a glimpse inside their private and public lives and culminates in the famous dispute over Mann's novel Doctor Faustus In the thick of the controversy was Theodor Adorno then a budding philosopher whose contribution to the Faustus affair would make him an enemy of both families Gathered here for the first time in English the letters in this essential volume are complemented by diary entries related articles and other primary source materials as well as an introduction by German studies scholar Adrian Daub that contextualizes the impact these two great artists had on twentieth century thought and culture **Changing Perceptions of Thomas Mann's Doctor Faustus** John F. Fetzer, 1996 Ever since its appearance in 1947 Thomas Mann's novel Doctor Faustus has generated heated reactions among critics Whereas initial ideological differences stemming from the Cold War and the division of Germany have abated following the reunification of 1990 diverse opinions and controversies persist about Mann's daring treatment of the Faust theme These include such topics as the political stance of the author and the historical dimensions of the novel the biographical and autobiographical and backgrounds of the work especially in light of the subsequent publication of Mann's diaries and private notebooks the writer's sexual and psychological proclivities the thorny issues of montage collage and intertextuality musical concerns such as the extent to which the novel's protagonist appropriates as his own Arnold Schonberg's twelve tone system of composition or the role of Mann's fellow exile and mentor Theodor W Adorno in indoctrinating his pupil into avant garde musical techniques the degree to which the novel exhibits structural features of the music on which the narrative focuses and the function of certain mythic prototypes for this modern parody in fashioning the fortunes and fate of Adrian Leverkühn A provocative and still unresolved question centers on the precise role played by Goethe's Faust in the conception and execution of Doctor Faustus in spite of Mann's assertion that his version of the legend had nothing in common with the work of his famous predecessor Finally the presence of strong visual elements in the novel leads to an assessment of the critical reception accorded Franz Seitz's film adaptation of Doctor Faustus 1982 a dicey subject in Mann's circles since few filmed versions of his novellas or novels have enjoyed an unsullied reputation **Thomas Mann - Doktor Faustus** Patrick Trapp, 2010 Examensarbeit aus dem Jahr 2009 im Fachbereich Germanistik Neuere Deutsche Literatur Note 1,3 Rheinisch Westfälische Technische

Doctor Faustus Thomas Mann, 2025-09-12 Why must I feel that almost all no all of the devices and conventions used by art are today only fit for parody Adrian Leverkühn is a composer who at terrible personal cost makes the breakthrough from traditional art to extreme modernism and success Creative and brilliant he will stop at nothing to achieve greatness Thomas Mann wrote Doctor Faustus 1947 in American exile during and just after the Second World War A prominent and long standing defender of democracy he sought to understand in cultural and intellectual terms how Germany had succumbed to Nazism Mann structures his story through references to the German legend of Faust and his pact with the Devil The life of the solitary composer an ultimately tragic figure is recounted by his friend and biographer who represents a sadly ineffectual humanism and whose social activities provide a panorama of middle class German society in the early twentieth century Ritchie Robertson's new English translation is accompanied by detailed annotations and an introduction illuminating the themes of the novel ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

An Idiosyncratic Ethics George David Miller, 1994 This book is an original synthesis of four elements 1 the phenomenology of value 2 caring 3 the moral imagination and 4 Kant's formula of humanity The striking result is an ethics of caring that develops our shared

humanity The probing analysis and pungent argument are assisted by imaginative forms of dialogue narration and parable This lively contribution to our ethical fulfillment concludes with a case for student centered education that is democratic creative and caring

Framing Faust Inez Hedges, 2009-03-10 In this interdisciplinary cultural history that encompasses film literature music and drama Inez Hedges follows the thread of the Faustian rebel in the major intellectual currents of the last hundred years She presents Faust and his counterpart Mephistopheles as antagonistic yet complementary figures whose productive conflict was integral to such phenomena as the birth of narrative cinema the rise of modernist avant gardes before World War II and feminist critiques of Western cultural traditions Framing Faust Twentieth Century Cultural Struggles pursues a dialectical approach to cultural history Using the probing lens of cultural studies Hedges shows how claims to the Faustian legacy permeated the struggle against Nazism in the 1930s while infusing not only the search for socialist utopias in Russia France and Germany but also the quest for legitimacy on both sides of the Cold War divide after 1945 Hedges balances new perspectives on such well known works as Thomas Mann's *Dr Faustus* and Jack Kerouac's *Dr Sax* with discussions of previously overlooked twentieth century expressions of the Faust myth including American film noir and the Faust films of Stan Brakhage She evaluates musical compositions Hanns Eisler's *Faust* libretto the opera *Votre Faust* by Henri Pousseur and Michel Butor and Alfred Schnittke's *Faust Cantata* as well as works of fiction and drama in French and German many of which have heretofore never been discussed outside narrow disciplinary confines Enhanced by twenty four illustrations Framing Faust provides a fascinating and focused narrative of some of the major cultural struggles of the past century as seen through the Faustian prism and establishes Faust as an important present day frame of reference

Landmarks in the German Novel Peter Hutchinson, 2007 There is a large pool of German novelists in whose oeuvre we may look for works of landmark significance and at certain periods of its history German fiction is particularly rich Yet although the novel begins to assert itself in the seventeenth century we have to wait until the late eighteenth and Goethe's first major prose work *Werther* to see it truly rise to the level of other genres The thirteen novels featured in this collection have all proved milestones in the development of the form and there is heavy prominence given to works by Goethe himself and by Thomas Mann Through these as well as those by such figures as Kafka Hesse and Günter Grass we can trace the development of the novel to its far more self conscious form ranging through the social studies of the nineteenth to works which treat a variety of intellectual psychological and philosophical issues in the twentieth A second volume will cover landmarks published between 1959 and the present day These essays all by specialists in the relevant field were originally delivered as lectures in the University of Cambridge

Die Erfindung des Schriftstellers Thomas Mann Michael Ansel, Hans-Edwin Friedrich, Gerhard Lauer, 2009 Thomas Mann ist durch sehr bewusste Strategien und Inszenierungen zu dem Thomas Mann geworden als der er in die Literaturgeschichte eingegangen ist Diesem Selbstentwurf des Autors Thomas Mann zum repräsentativen deutschen Schriftsteller geht der Sammelband nach Er fragt nach der Semantik der Repräsentanz die Thomas

Mann gebraucht analysiert die Stellung im literarischen Feld seiner Zeit und beschreibt die Apparate die seinen Ruhm zu multiplizieren wussten In der Summe entsteht ein Bild von Thomas Mann das die gängigen werkbiographischen Zugänge anbieten möchte und danach fragt weshalb solche Zugänge bis heute für die Rekonstruktion der Selbstvermarktungsstrategien dieses Autors maßgeblich geblieben sind
