This is why every title in the book is classified under Introduction, Petition, Message, and Prayers, with the aim that as they use this book, readers will become more intimate with God even in the face of their problems and realise that God is closer than they ever thought. Indeed, this will become very evident as their petitions are answered to change their lives all to the Glory of God. Check out some of the titles in the book like *In the beginning and as you go*, *I never knew*, *Forgiveness is the key*, *Because God loves us*, *My God will arise*, *My child*, *They cannot understand*, *Homeward Bound*, and *Final Destination* for a taste of what *The Path of Life* is about. May the Lord speedily answer your petition as you use this material in Jesus' name.

Exploring the Secrets of Hidden Wealth Michael Scantlebury, 2025-02-01. This masterpiece has been quite controversial in some quarters, the subject of finances in the Kingdom. In his usual straight forward but yet biblical approach, Apostle diligently explained the parables of Jesus in view of provisions delving into a strong theological framework for stewardship and how to form relevant partnership for wealth, which is an effective interaction with the world system for material advance and contentment as a Kingdom virtue. This book served to fuel in us an even deeper personal search into God's intention for wealth among His people. It provides a unique perspective on God's heart towards us and His empowering ability through resources to bring His purpose to pass. *Exploring the Secrets of Hidden Wealth* is a revelatory guide to understanding the power, purpose, and stewardship of money.

Terms of Salvation Grant H. Layton, 2013-07. Why are there so many competing Christian churches in the world today? It is because men interpret the same passage of scripture and its terms in different ways. If there ever is to be a unity in Christianity, it will require a unity of understanding the scriptures. It is our personal challenge in life to discover the truth of things. For all of us, the truth in religion isn't necessarily what we expect or want to find. But for those of us who will accept truth when we find it in the scriptures, it will be found in the definitions of the terms of salvation that are used consistently by the prophets. We find on examination that the terms of salvation in the Bible are fairly consistent in meaning.

throughout the book even though the Bible was written by many different Prophets The Mormon religion claims to possess other books of scripture This book also compares what is written in their books against what is written in the Bible with very interesting results The reader from any religion will find this book a key to understanding the spirit of the Bible and the details of the Gospel of Jesus Christ **Alice Or the Mysteries** Lytton,1880 Semi-annual Conference of the Church of Jesus Christ of Latter-Day Saints Church of Jesus Christ of Latter-Day Saints,1906 **Scientia Biblica; containing the New Testament, in the original tongue, with the English Vulgate, and a copious and original collection of parallel passages printed in words at length. [By W. Carpenter.] Gr.&Eng. L.P. ,1825** The Self-Explanatory Reference Bible. The Holy Bible ... with Marginal Readings, and ... Parallel References Printed at Length. [With Plates.] ,1853
