Lord, When? John J. Cobb, 2004-03-16 Lord When looks at the Second Coming from a Scriptural point of view while examining the questions objections and various views of the tribulation and the rapture As the world draws nearer and nearer to the Second Coming it is more important than ever that all Christians understand what the Bible says about this crucial doctrine Our greatest hope lies not in theories or inferences but in undeniable facts left by our Lord in His holy word about The seventh trumpet The great apostasy The restrainer The Antichrist The Seventy Weeks of Daniel The 144 000 servants With over twenty years of research and study of the end times author John J Cobb brings a special and unique approach to these areas He has taught four verse by verse expositional classes on the book of Revelation His passion for scriptural clarity in Eschatology has been the driving force behind Lord When Whether the information gathered is from him or other authors and experts in this area Minister Cobb has taken great care to bring it all to bear against the backdrop of Holy Scripture the final arbiter of all Christian Doctrine **Lord When?** John Cobb, 2023-05-30 *The Handbook of Eschatology, Or, A Consistent Biblical View of the Lord's Return* Walter Roy Goff, 1917 Perspectives on the Sabbath Christopher John Donato, 2011-03-15 Four views of the Sabbath commandment Seventh day Fulfillment Christian Sabbath and Lutheran are presented by scholars in point counterpoint style to determine which is most faithful to Scripture A God of Many Understandings Todd Miles, 2010-10-01 Western Christianity's interaction with world religions used to be for the most part overseas Today religious others often live next door At a changing time when one public prayer spoken during the 2009 U S presidential inauguration festivities was addressed to O god of our many understandings the evangelical Christian church should do more than simply dismiss non Christian religions as pagan without argument or comment The Church needs a theology of religions that is Christ honoring biblically faithful intellectually satisfying compassionate and that will encourage Spirit powered mission Oregon based theology professor Todd L Miles writes to that end in A God of Many Understandings attempting as the scholar Veli Matti K rkk inen puts it to think theologically about what it means for Christians to live with people of other faiths and about the relationship of Christianity to other religions **American Zionism: Missions and Politics** Jeffrey Gurock, 2014-02-04 The final volume comprises articles which take a look at the political movement for the establishment of a national homeland for the Jewish people The twenty one articles cover subjects such as the historical emergence of Zionism attitudes towards the Zionist and Anti Zionist movements in America and the developments of trusteeship for the Palestine **Christ, Christianity and the Bible** Isaac Massey Haldeman, 1912 *The Bible in Cross Cultural Perspective (Revised Edition)* Jacob A Loewen, 2020-06-01 Some Questions are Universal Where did I come from What happens when I die Am I important Across the world these questions are answered in a vast range of ways shaped by our worldview and our specific cultural context Cross cultural workers seeking to engage people at the point of these questions can offer a rich dialogue between cultural assumptions and biblical truth but only if they can reach into the

Come, Lord Jesus! Stephen Motyer, 2016-04-21 The second coming of Jesus Christ is the core of the biblical worldview the climax of the biblical message the cornerstone of biblical theology and the centrepiece of authentic biblical faith for the twenty first century At the heart of this bold opening statement by Stephen Motyer is the conviction that Jesus Christ is the centre of the Scriptures even though he only appears at the end For the New Testament writers Jesus Christ revolutionized their understanding of the Scriptures and gave them a new centre around which to interpret the work of God in the world and the climax of that work is the second coming of that same Jesus Christ Jesus himself used the language of the Scriptures to promise his coming again the coming of the Son of Man Hence we need the whole of Scripture to understand what the second coming means for us today The fact that the Bible ends with the prayer Come Lord Jesus Revelation 22:20 is deeply appropriate The second coming is the end of the biblical message its omega point its grand finale the denouement when all the players in the drama of earth history both human and angelic are gathered in the drawing room to hear the Master unpack the plot and give the verdict Motyer's comprehensive stimulating study is divided into two parts Part One The biblical frame examines three Old Testament passages and lays the foundation for Part Two New Testament hopes and visions which explores a series of key texts He focuses on the second coming rather than on millennialism or the end times in order to provide the fundamental biblical theology that must underlie our whole sense of God's future for his world

Trinity's emergence in the writings of the Apostolic Fathers As this study takes a close look at whether we can find signs of the Trinity and shared understandings in these early texts shedding light on whether these writings reflect a triadic way of talking about God A crucial aspect of the investigation is to see if there is a common belief about the Trinity offering insights into the theological ideas of that time A central question arises Did the early Apostolic Fathers have a sense of the Trinity If so how did they try to understand it Immersed in the early Christian mindset this book examines how each text talks God the Father Jesus and the Holy Spirit in relation to each other With scholars like Larry Hurtado and Richard Bauckham guiding the way the study explores the connections and differences between the beliefs about God the Father Jesus and the Holy Spirit in the Apostolic Fathers corpus This rich work connects the past with contemporary theological questions Through careful research Trinitarian Perspectives in the Apostolic Fathers reveals the interplay of history faith and divine understanding This book is a helpful resource for theologians historians and anyone seeking a deeper understanding of early Christian beliefs

Science and Religion: Fifty Years After Vatican II Kenan Osborne OFM, Ki Wook Min, 2014-01-31 In the past one hundred years two major realities have changed both science and religion The world of science has been enriched by quantum physics the computation of the age of the universe archaeological data in the Middle East and a scientific stress on historical writing The world of religion has been enriched by the establishment of the World Council of Churches and the Second Vatican Council In the past fifty years major scientists and major religious leaders have met together again and again In the past fifty years religious leaders from Christianity Islam and Judaism have held a number of thought provoking conferences In this volume these gatherings are reviewed and evaluated Two major religious problems have challenged the science religion discussions namely which God should the scientists agree on the Trinitarian God Allah or Yahweh Which history of the universe sponsored by these three religions should scientists be looking for This volume raises questions and suggests some preliminary forms of serious discussion
