delightful and moving chronicle of his fifty second year a year already filled with long fast workdays and too little spare time as he answers at last a lifelong call to learn to play the piano The twelve monthly chapters span from January when after decades of growing affection for keyboard artists and artisans he finally plunges in and buys a piano through December when as a surprise Christmas present for his wife he dresses in a tuxedo and in flickering candlelight snow falling outside the windows he attempts their favorite piece of music a difficult third year composition he s been struggling with in secret to get to this very moment Among the up tempo triumphs and unexpected setbacks Noah Adams interweaves the rich history and folklore that surround the piano And along the way set between the ragtime rhythms and boogie woogie beats there are encounters with and insights from masters of the keyboard from Glenn Gould and Leon Fleisher I was a bit embarrassed he writes telling Leon Fleisher about my ambitions for piano lessons is like telling Julia Child about plans to make toast in the

morning to Dr John and Tori Amos As a storyteller Noah Adams has perfect pitch In the foreground here like a familiar melody are the challenges of learning a complex new skill as an adult when enthusiasm meets the necessary repetition of tedious scales at the end of a twelve hour workday Lingering in the background like a subtle bass line are the quiet concerns of how we spend our time and how our priorities shift as we proceed through life For Piano Lessons is really an adventure story filled with obstacles to overcome and grand leaps forward eccentric geniuses and quiet moments of pre dawn practice as Noah Adams travels across country and keyboard pursuing his dream and keeping the rhythm *Lorie's Heart* Amy Lillard,2015-08-01 A strikingly different Amish tale of finding family love and forgiveness from the author of A New Love for Charlotte Fresh Fiction Welcome back to Wells Landing Oklahoma the tranquil Amish community where still waters run deep and a brave young woman sets out to discover her faith her family and herself Lorie Kauffman is grief stricken when her father passes away unexpectedly But her heartache quickly turns to bewilderment when she discovers he d been leading two lives one of simplicity and hard work in Wells Landing and one fraught with painful ordeals in Tulsa As she starts digging into her family s past Lorie finds herself torn between the Amish world and the Englisch world and she s no longer certain where she belongs Lorie knows that if she leaves Wells Landing she may never be able to return But what if her destiny lies in the outside world the world her father knew so well Change is never easy but with a bit of courage and the help of a handsome and kind hearted Englischer she just may find the peace acceptance and love she s been longing for Praise for Amy Lillard and her Wells Landing novels A sweetly inspirational contemporary love story Rich with the trappings of Amish culture and tradition the novel informs as well as entertains Publishers Weekly An inspirational story of romance faith and trust will appeal to fans of Wanda Brunstetter and Beverly Lewis Library Journal Amy Lillard writes her Amish stories with the respect they are due RT Book Reviews **Billboard** ,1996-04-20 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,2001-06-02 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
