Engineering of Consent David Klooz,2021-02-10 There are many people and many authors who believe that civilization mankind or our species has amnesia I do not believe this I believe we have been lied to since the beginning of recorded history and even before that The first half of this book is about our four previous civilizations and the out of place artifacts and knowledge that has been hidden debunked lost or forgotten such as the giant skeletons recorded in most newspapers in the 19th century recorded Indian Vimanas that flew powered by a spinning plasma engines in 7 000 BCE as well as flying Aeros in Bavaria and the Western United States It is about the Cro Magnon giants of the Atlantean civilization escaping to the area of the Caucasus Mountains Northern Africa the Canary Islands and the East Coast of the Americas during the Solar System cataclysm in 10 900 BCE It is about that same tall Atlantean Aryan Iranian race with blue eyes and red and blonde hair that migrated from the Caucasus mountains and became the ruling class from China to Egypt It is also the story of the stealing destroying hiding and perverting the occult and lost knowledge of the Brotherhood by the High priests of Egypt known as the Scarlet Council so that only they could control who could become part of their New Brotherhood That ancient knowledge was also perverted by the addition of the Jewish Kabbalah a mixture of alchemy numerology gematria and magic as well as by the Alumbrados an emerging occult movement founded by Spanish Marranos The members were baptized Jews who secretly kept their Telmudic faith Also the Khazars Krypto Jews from near the Black Sea with their knowledge of Babylonian black magic and money magic perverted the Mysteries This confusing jumble was added to the existing Egyptian Osiris Isis Horus Cult which was the basis of Freemasonry which was infiltrated by Adam Weishaupt and his 2000 members along with the Jesuits and the Vatican This became the New Illuminati Finally it is about the control of the masses by religion

and by the alchemy of social engineering to manipulate the masses through disinformation brainwashing and the fear of terror It uses mass death rituals like 9 11 and public assassination rituals such as that of JFK for shock value The use of this alchemical social engineering is used in the engineering of consent in order to protect the masses from the terror and hopelessness that the Brotherhood itself has created This culture of control can also be seen by the use of political correctness the additional attempts to limit free speech and the creation of hopelessness mistrust and eugenics by lockdowns masks quarantines and forced use of untested injections Remember the Nuremberg Code and Never Again That was a lie as well We are living it that lie

Atlantis and the Alien Presence Dr. David Klooz, 2019-11-26 The current world isn't just full of mysteries it is made up of them You could spend your life investigating the murders of the Kennedys the identity of Jack the Ripper or studying UFOs crop circles cattle mutilations ley lines Atlantis or other strange phenomena Each of these mysteries has its authorities and its counter authorities its supporters and its detractors all of whom are full of information and expertise but truly offer nothing more than opinions Realistically these people are myth makers with the object of establishing their own particular myth gaining wide official acceptance for it as authorities and thus for a time making it the TRUTH This has been mankind's biggest fault in this cycle of humankind's experiences on the Earth that is the belief that authority provides the truth rather than the truth provides the authority Even worse it could be this has consistently been humankind's fault during all the previous cycles of humankind's existences on Earth and those have been many In Western society while a very small minority of the current authorities know what or at least part of what the truth is the last thing they want to do is share it with the masses the 99.99% of the human population they consider useless eaters and subjects In general everything we think we know is a lie or a partial lie perpetuated by this very small group of individuals Since the earliest time of civilizations this group has not shared information with the individuals of the world Since this current cycle of civilization began following the cataclysm of 10 400 BCE and the sinking of Atlantis the most important information and knowledge concerning our true origins and history has been withheld That which rightly belongs to us has been destroyed buried ignored suppressed misrepresented weaponized or purposely confused by disinformation under the auspices of the so called authorities In the West the authorities want to keep us occupied and non thinking with reality television shows televised sports sixty hour work weeks alcohol and drug abuse texting on our iPhones believing in the lies or partial lies they want us to believe in and leave the thinking to them Religious institutions the educational system the justice system the economic system the media and even secret societies have been infiltrated and usurped by these individuals and others with the same philosophy at mankind's expense These individuals have no empathy and no concern for the human condition They seek only one thing and that is power the power to control To them power is more than an addiction but a right Knowledge is the form of their initial power They use that to gain economic power control and influence and then infiltrate all levels of society until they infect the entire planet Their religion is worshipping the self and their ego that they believe is their divine

spark with a motto of Do as thou wilt In my last book *Adrift on a Sea of Lies* I tried to identify who these individuals were or are and how have they managed to do this over the past 12 000 years Also was there anything we can do that might reverse this during the next 12 000 years to ensure this doesn't happen again during the next cycle of our Earth or will it repeat again and again with only minor changes This book is an examination of the last 150 years primarily focusing on a so called myth that I believe is factual In this case the beginning of the story is about Atlantis and its growing association with part of the Antarctic continent It describes and supports the evidence for Atlantis being located beneath the ice of Antarctica and describes the evidence in detail including the following the location of Atlantis within the world ocean ancient mapping evidence of dispersed civilizations the rise of agriculture and Earth crust displacement It is also about the Nazis UFOs and the US and their involvement with the Antarctic continent I believe this disinformation plot will more than likely culminate in an upcoming US False Flag event unless the truth becomes known Lastly it is about the so called alien presence and the current attempt to keep it hidden and destroy it before the world knows how the Anglo American Zionist Empire created and financed it nearly 100 years ago
