

## LOUIS-JOSEPH PAPINEAU (1786-1871)

Politician marking the XIX<sup>e</sup> century, Papineau militates for reforming the political institutions of Lower Canada and to correct the grave democratic deficit. President of the Assembly and leader of the Parti canadien, later the Parti patriote, he became the leading political figure of the uprisings that marked 1837 and 1838. He adopted republican ideas and advocated for emancipation from colonial rule. As seigneur of La Petite-Nation, Papineau defended land tenure but accepted the abolition of the seigneurial system, as long as landholders were compensated. In 1850, he settled at this manor.

Fradera,2021-06-08 How the legacy of monarchical empires shaped Britain France Spain and the United States as they became liberal entities Historians view the late eighteenth and early nineteenth centuries as a turning point when imperial monarchies collapsed and modern nations emerged Treating this pivotal moment as a bridge rather than a break The Imperial Nation offers a sweeping examination of four of these modern powers Great Britain France Spain and the United States and asks how after the great revolutionary cycle in Europe and America the history of monarchical empires shaped these new nations Josep Fradera explores this transition paying particular attention to the relations between imperial centers and their sovereign territories and the constant and changing distinctions placed between citizens and subjects Fradera argues that the essential struggle that lasted from the Seven Years War to the twentieth century was over the governance of dispersed and varied peoples each empire tried to ensure domination through subordinate representation or by denying any representation at all The most common approach echoed Napoleon's special laws which allowed France to reinstate slavery in its Caribbean possessions The Spanish and Portuguese constitutions adopted specialness in the 1830s the United States used comparable guidelines to distinguish between states territories and Indian reservations and the British similarly ruled their dominions and colonies In all these empires the mix of indigenous peoples European origin populations slaves and indentured workers immigrants and unassimilated social groups led to unequal and hierarchical political relations Fradera considers not only political and constitutional transformations but also their social underpinnings Presenting a fresh perspective on the ways in which nations descended and evolved from and throughout empires The Imperial Nation highlights the ramifications of this entangled history for the subjects who lived in its shadows

solide documentation la fine pointe des travaux les plus récents cette synthèse ouvre des perspectives nouvelles et stimulantes. Quant à la fois d'origine anglophone, les auteurs profitent d'une distance de bon aloi pour analyser l'évolution de la société québécoise en privilégiant une perspective socio-économique. Ils n'hésitent pas à examiner le passé à partir des questions actuelles : le rôle des femmes, la culture, les problèmes démographiques, le monde du travail et celui des affaires, et la place réservée aux autochtones. Cette nouvelle mise en jour offre un très large développement sur l'histoire contemporaine du Québec et sa place dans l'intérieur du Canada et de l'Amérique du Nord. Les deux auteurs étudient les idéologies associées aux referendum de 1980 et 1995 et les changements sociaux qui en ont découlé jusqu'à la chute du gouvernement Landry. Grâce à un riche index et une bibliographie commentée, chaque chapitre des nouveaux tableaux et des illustrations actualisées de cet ouvrage demeure une synthèse incontournable de l'histoire du Québec.

**Mensonges et vérités dans les Souvenirs de Félix Poutré** Marc Collin, 2003

Félix Poutré, auteur d'un récit historique qui remporta un remarquable succès de vente, fut longtemps considéré comme un héros de la Révolution de 1838 et honoré comme tel. Cependant, ce n'est qu'à un demi-siècle après la publication de ses Souvenirs que l'historien Gustave Lanctot révélait que loin d'avoir joué un rôle heroïque, il s'était glissé dans les milieux patriotes afin d'y espionner pour le compte de la police. Le héros patriote n'était donc qu'un traître. S'appuyant à la fois sur l'examen des circonstances historiques de la fraude et sur l'analyse psychanalytique du texte des Souvenirs, l'auteur cherche à comprendre sur le plan de la psychologie collective les raisons du succès de cette mystification. Il formule des questions troublantes qui touchent en plein cœur la conscience historique québécoise et canadienne. L'affaire Poutré veille un sentiment triste. Aussi fausse soit-elle sur le plan de son contenu, la fraude historique ne recouvrirait-elle pas une réalité se situant sur un autre plan ?

**La guerre d'indépendance des Canadas** Julien Mauduit, 2022-08-15

Longtemps considérée comme une révolution mineure, la tentative de révolution de 1837 a en effet secoué l'ensemble de l'Amérique du Nord, menant à la renversement du pouvoir britannique hors du continent mais également à l'inauguration d'une expérience républicaine différente. La révolution a été menée par les idéalistes québécois, qui ont alors émigré aux États-Unis en s'appuyant sur des sources canadiennes et américaines. En sollicitant le soutien de leurs frères au sud de la frontière, les rebelles ont poussé les autorités des États-Unis à coopérer activement avec l'Empire britannique dans un dénigrement surprenant de leurs racines révolutionnaires et antibritanniques. Initialement favorables à l'annexion des Canadas aux États-Unis, les patriotes ont dû repenser leur avenir en dehors d'une république qui affichait ses faiblesses. Ils ont envisagé de fonder leur propre république, deux fois avec l'espoir de régénérer la démocratisation en Amérique et de teinter la transition au capitalisme moderne de morale, de responsabilité sociale et de bienveillance envers les travailleurs manuels. Le livre explore cette guerre singulière en se penchant sur un large ventail d'acteurs de faits et de questions historiques, comme le nationalisme, les rapports de force politiques ou encore les idées des droits gaucho et du laissez-nous faire.
