Lessons of War James Marten, 1998-11-01 While information regarding children and their outlook on the war is not abundant, James Marten, through extensive research, has uncovered essays, editorials, articles, poems, games, short stories, and letters that tell the story of the Civil War through the eyes of children. *Lessons of War: The Civil War in Children's Magazines* is a collection of such items gathered from popular children's magazines that were published during this era. The selections in *Lessons of War* demonstrate the depth of children's involvement in the war, from raising funds for soldiers to incorporating the war into their play activities and eagerly accepting northern political attitudes. The era's leading children's magazines, such as *The Little Pilgrim*, *The Little Corporal*, and *Student and Schoolmate*, used first-person accounts to let the children of the Civil War tell their own stories. Marten's commentary illuminates the vision of the Union war effort presented to children as the nation waged war against itself. Sure
