geography history government economy and culture while taking readers on a voyage of discovery to far away lands The Raj Lives Sanjay Upadhyaya, 2008 History geography religion and culture have bound Nepal and India into an extraordinary relationship While many Nepalis actively participated in India's Independence movement New Delhi too has played an important role in the political evolution of its landlocked northern neighbour These elements of affinity exacerbated by asymmetries in area and population are however responsible for the rancour underlying the uneven relationship Many Indians like most Nepalis are also exasperated by the resentment this proximity has produced Preconceived notions and outright prejudices have tightened this embrace of estrangement New Delhi's big brother act has been stifling for many Nepalis This was more pronounced when Nepal got painted red with the incessant battering of the Maoist rebels and was split between monarchy and republicanism This book takes an unconventional approach to India Nepal relations Devoid of the abstractions of the academic tomes that fill up bookshelves this volume also steers clear of the detachment of a historical account The book draws from a plethora of documents in the public record though it also relies on the author's personal experience The provocative title encapsulates the crisp message How independent India has virtually adopted British colonial policies towards Nepal By elucidating the misgivings and follies that have long constrained the relationship the book sets out to explore the inherent possibilities **Talking Book Topics**, 2006-07 The Royal Nepal Army Ashok K. Mehta, 2005 Very little is known about Nepal except for its beautiful mountains Still less is known about its people their poverty and underdevelopment and its fallout the Maoist uprising Even less has been heard about the Royal Nepal Army RNA till the Maoists pulled it out from its barracks Reluctantly RNA transformed from a ceremonial mainly UN peacekeeping Force into a field army struggling to find the will and wherewithal to meet the challenge posted by the Maoists The RNA is the creation of the feudal Rana and Shah rulers to whom it swears allegiance After the February 1 2005 Royal coup the King has placed center stage the RNA the symbol of his moral political and divine powers all rolled into one The Maoist war is about rolling back the feudal order establishing a multiparty democratic republic with a reformed RNA under civilian control The challenge for the RNA is in containing regaining eighty percent of land under Maoist control and winning back the people swayed by the Maoist cause With democratic institutions snuffed out this is a tall order The Maoists are unlikely to take Katmandu because their power to intimidate and terrorize is far greater than their finite military capacity In the ongoing war a stalemate has not been reached This book tells you not only the story of the Maoist uprising but also for the first time why the RNA was not used sooner to counter the Maoists **The Publishers Weekly**, 2004 **Far Eastern Economic Review**, 2004-07 Asia's premier business magazine The magazine reports on politics business economics technology and social and cultural issues throughout Asia with a particular emphasis on both Southeast Asia and China American Book Publishing Record, 2003 **The British National Bibliography** Arthur James Wells, 2005 *Cassette Books* Library of Congress. National Library Service for the Blind and Physically Handicapped, 2006 *South Asia 2007* Europa Publications, 2006-11-16
