Harvey,2011-05-14 When you reach the twilight of your existence look back on your life and realize you have accomplished all your desires you have to share your fulfillment with the world your children your family your dearest friends and everyone who contributed to your well being If the saying Practice makes perfect goes I hope it applies to me This is my second attempt at writing a book a sequel to my first one I do not consider myself a literary writer far from it As a matter of fact in my school years not only couldn't I put two and two together but composition was my second weakest subject As English is not my mother language it's a double challenge I have many times used dictionaries to prove my point At an early age playing with my dolls I would tell them all kinds of stories so you can say that I am more of a storyteller This is my fairy tale as close to the truth as can be told however to protect the anonymity of the characters their names have been changed Enjoy **Two**
