Love Goes to Press Martha Gellhorn, 1995-01-01 Written immediately after the war Love Goes to Press opened in London in June 1946 and in New York in January 1947 Then a relief for the survivors of Blitzkrieg and ration cards it is now a devilishly entertaining portrayal of the Battle of the Sexes This romantic farce published here for the first time is set on the Italian front in World War II where two women war correspondents smart sexy and famous for scooping their male competitors struggle to balance their professional lives with their love lives The American literary tradition is rife with stories of men without women but in Love Goes to Press Gellhorn and Cowles have created a world of women without men The plot focuses on a pair of daring quick witted female buddies in bold pursuit of accomplishment and adventure while narrowly eluding the entanglements of marriage and domesticity In her six decade career as a war correspondent Martha Gellhorn has covered the Spanish Civil War World War II and wars in Vietnam the Middle East and Central America In 1990 at the age of 81 she interrupted a snorkeling trip to Belize to witness the aftermath of the U S invasion of Panama her report appeared in Granta Gellhorn has published fifteen books including eight novels short fiction and two collections of journalistic articles

**The New Hemingway Studies** Suzanne del Gizzo, Kirk Curnutt, 2020-09-17 The subject of endless biographies, fictional depictions, and critical debate, Ernest Hemingway continues to command attention in popular culture and in literary studies. He remains both a definitive stylist of twentieth-century literature and a case study in what happens to an artist consumed by the spectacle of celebrity. The New Hemingway Studies examines how two decades of new millennium scholarship confirm his continued relevance to an era that on the surface appears so distinct from his one defined by digital realms, ecological anxiety, and globalization. It explores the various sources, print, archival, digital, and other, through which critics access Hemingway. Highlighting the latest critical trends, the contributors to this volume demonstrate how Hemingway's remarkably durable stories, novels, and essays have served as a lens for understanding preeminent concerns in our own time, including paranoia, trauma, iconicity, and racial, sexual, and national identities

**Spanish Civil War and Its Memory, The** Molly Goodkind, Marcella Hayes, and Amanda Mitchell, 2015-10-26 The CASB Occasional Papers is intended as a platform for the dissemination of research focused on Spanish topics carried out by young American university students. Many students come to Spain to complete their academic studies, discover the complexity of the local society and its history, and as a consequence, some of them address their academic interest in Hispanic issues in writing. In this sense, CASB Occasional Papers aims to contribute to the evolution of a new generation of Hispanistas from different fields and backgrounds in the very early steps of their academic careers and at the same time offer the results of their junior research to broader and non-specialized audiences. Within a context of decreasing interest in humanities and social studies, this publication is an effort to promote and encourage research in fields centered around the perspective of outsiders, the Transatlantic point of view, and an interdisciplinary approach to wide-ranging themes. The three papers included here examine several aspects of the Spanish Civil War and its consequences. Molly Goodkind analyzes four important radical American women: Mary Low, Lois Orr, Martha Gellhorn, and Josephine Herbst, who participated in the war. Marcella Hayes examines the role of seven anarchist maquis during the Francoist dictatorship in Barcelona, and Amanda Mitchell studies the relevant recent debates on history and memory as a result of the Ley de la Memoria Histórica 2007
