THE BEAUTIFUL ILLUSION OF BEING IN LOVE Adrian Gabriel Dumitru, The book The beautiful illusion of being in love is a collection of writings with what is love about Starting from the philosophical idea that everything we see in life is just an illusion the book is defining the concept of love in the same way But the illusion itself is also named beautiful Falling in love

is an experience that any human being must see with its own soul. It can be a beautiful experience, an illusion, or a beautiful illusion. The book is more like a collection of poems, but the writer is not knowing to write poetry but only essays. Trying to define love in many ways, the essays speak about the beautiful illusion as part of the life, maybe the most important part. Defining is done in a micro and macro way, but the love is always seen as something very beautiful. The book could be a very nice reading for the ones that are in the dreaming period of a love story or the ones that want to understand love from a philosophical point of view. Enjoy it.

Shankara's Advaita Vedanta Parul on the other hand is a sensual earthy woman who believes in the veracity of love and the reality of the many beautiful things that life offers. A chance meeting between the two leads not only to a romantic relationship spread over eleven purnimas but becomes a dialogue between two philosophical systems the Advaita of Shankara and the Madhurya of the Bhagvata Purana. As romantic moments between the two unfold intellectuality interacts with sensuality questioning the validity of each and as Chaitra moves to Magh a transformation takes place. As Harsha Dehejia weaves this romantic story where meetings by the Parijataka and conversations underneath the Champa are not only moments of shringara but introspections on the meaning of life we hear and feel the sensuality of love as it merges seamlessly with the intellectuality of a philosophic discourse. In this heart throbbing romantic relationship there is the spiritual quest of ultimate reality along with the pleasures of the sound of the wind and the song of a bird. Metaphysical thoughts and tender feelings evocative colours and resonant sounds intoxicating aromas and patterned textures myths and metaphors intermingle in the hushed conversations of two people in love.
