Love That Shouted For Joy The:

The Love that Shouted for Joy! Pamela Howland Wescott,2005 So this is what I believe when we were unborn souls some of us were recruited A certain number of men and women were needed at this time in history to make a point to the world about the inevitability of loving one another in myriad ways The mission and the challenge appealed to me The Love that Shouted for Joy is a series of vignettes scattered in space and time about the complications that arise when two people decide to marry The fact that the partners are of the same sex is only one piece of the intricate landscape that spans over 30 years and tells a story culminating in a backyard ceremony during the historic summer of 2004 For anyone who has ever dealt with in laws planned or is contemplating a wedding has had to come to terms with a painful change of heart to trust and love again you may recognize yourself Voodoo Dolls My Romance with the Dirt Wisconsin Trumps Bali and Virginia Woolf s House are four of the 22 chapters that describe the journey of one couple daring to speak the name of love the first summer after Massachusetts announced the legitimacy of same sex unions

Forbidden Love, Joy & Trials #2 LaTim,2011-08-09 Though they have different tongues with the same thoughts different faith with the same soul different cultures with the same characters from different lands in their hearts they met Forbidden Love Joy and Trials is a short romantic yet heartbreaking story superbly written by LaTim whose core substance is the racial issue faced by his characters in several affecting instances in their lives LaTim drew concrete pictures through his words describing plausible conditions experienced by many couples bound in love though in different races Forbidden Love Joy and Trials will test one s point of view on racial discrimination and will later on leave you to attest your own prejudices on the vast differences occurring in the world Forbidden Love Joy it will leave you in tears and test what your heart is made of
