National Hockey League has a history as rich as the team that has called it home for 67 years. Here are 100 memorable people and events in Gardens lore: the first NBA game, circuses, ice shows, and orators. Includes fascinating trivia about the Gardens and a list of every event since 1931. *The Ghosts in Maple Leaf Gardens* Rick Ferguson, 2013-11-18. The Toronto Maple Leafs have not won a Stanley Cup since 1967, a burden that long-suffering fans have regrettably had to bear. Ron Bailey, the new director of player personnel for the Leafs, is more than frustrated with his beloved team, who last won the prestigious title when he was just three. Unfortunately, Ron worries that the cynical Canadian fans and media, who fear it may be another forty years before the Leafs win another one, might be right. Just as he is about to give up hope, Bailey accidentally uncovers a possible reason for the Leafs' long drought: a curse that has been supposedly placed on the team by the father of Dale McCaine, a former player who, due to tragic circumstances, never had the opportunity to play for a Cup. As Bailey's curiosity peaks, he asks for a meeting with the feisty and feeble Doug McCaine, who asks for a second chance for his deceased son to play for the Stanley Cup in Maple Leaf Gardens. Only then will he lift his curse. In this sports adventure, a young hockey director must orchestrate the game of the century as the spirits of former Leafs greats band together to help a player's dreams come true. *The Struggle for Canadian Sport* Bruce Kidd, 2017-06-22. Canadian sports were turned on their head during the years between the world wars. The middle-class amateur men's organizations, which dominated Canadian sports since the mid-nineteenth century, steadily lost ground, swamped by the rise of consumer culture and badly battered and split by the depression. In *The Struggle for Canadian Sport*, Bruce Kidd illuminates the complex and fractious process that produced the familiar contours of Canadian sport today: the hegemony of continental cartels like the NHL, the enormous ideological power of the media, the shadowed participation of women in sports, and the strong nationalism of the amateur Olympic sports bodies. Kidd focuses on four major Canadian organizations of the interwar period: the Amateur Athletic Union, the Women's Amateur Athletic Federation, the Workers Sport Association, and the National Hockey League. Each of these organizations became focal points of debate and political activity, and they often struggled with each other. Each had a radically different agenda: the AAU sought the making of men and the strengthening of English Canadian nationalism; the WAAF promoted the health and well-being of sportswomen; the WSA was a vehicle for socialism; and the NHL was concerned with lucrative spectacles. These national organizations stimulated and steered many of the resources available for sport and contributed significantly to the expansion of opportunities. They enjoyed far more power than other Canadian cultural organizations of the period, and they attempted to manipulate both the direction and philosophy of Canadian athletics. Through their control of the rules and prestigious events, and their countless interventions in the mass media, they shaped the dominant practices and coined the very language with which Canadians discussed what sports should mean. The success and outcome of each group, as well as their confrontations with one another, were crucial in shaping modern Canadian sports. *The Struggle for Canadian Sport* adds to our understanding of the material and social conditions under which people created and

elaborated sports and the contested ideological terrain on which sports were played and interpreted **Welcome to Maple Leaf Gardens** Graig Abel, Lance Hornby, 2013-09-01 From its unfathomable construction in the grip of the Great Depression to its closing in 1999 and its current status as Ryerson University's Mattamy Athletic Centre this lush nostalgic history captures the former Maple Leaf Gardens hockey arena in all its glory With a compelling narrative from the Toronto Maple Leafs official photographer Graig Abel and Toronto Sun hockey reporter Lance Hornby more than 240 color photos form a documentary that is the definitive chronicle of the team's former venue Beginning with team manager Conn Smythe's dream of building a landmark arena of the likes of the New York Rangers in midtown Manhattan and opening night on November 12 1931 against the Chicago Blackhawks through more than 2 500 games and a myriad of other sports matches concerts and events performances by Bob Hope Frank Sinatra Elvis and the Beatles election rallies held by Prime Ministers William Lyon Mackenzie King and Pierre Trudeau and the historic bout between Muhammad Ali and George Chuvalo this work details the storied saga of Toronto's once premier showcase Views of the edifice over the years and shots of the many events and the audiences who attended are among the book's never before seen photos *Frontiersmen and Settlers* William C.
