

A close-up photograph of two hands clasped together in a supportive grip. The hand in the foreground is darker-skinned and has bright blue nail polish on its fingers. The hand behind it is lighter-skinned. The background is a soft, out-of-focus landscape with warm, golden light, suggesting a sunset or sunrise. The overall mood is peaceful and hopeful.

Intimacy: Missing "Peace" in the Puzzle of True Love & Close Relationships Terrence Richburg, 2013-06-18 So what do you do when this thing called life breaks down and falls apart at the seams What happens when all your efforts to cope only bring temporary peace and contentment in the face of certain failure How do you attempt to solve the puzzle and put all the pieces back together again Explore the true power of intimacy as experienced in contemporary life situations Examine its depth and dynamic application within human relationships and investigate why Gods view of intimacy is so essential both for today and for all eternity Enter the world of intimacy at your own risk you may just find exactly what youre looking for or you might just find precisely what you werent expecting Regrettably this weekend represented what had become somewhat of a perpetual routine for Chris and Amanda It began sometime agoan appointment

of intrinsic fate habitual yet not apparent to them Even so with an air of understatement emerging on this particular weekend things would prove to be just a little different somehow for they were destined to live in the impossible Amanda and Christopher were about to encounter a miracle of incomparable proportions both independently and together This day of all days would prove to be the turning point the one day that would change their lives forever Like a rope tightly woven of thin silk strands of time and suspended reaction it all appears fragile at a glance and a stare But its strength may only be recognized through a blind touch in the dark
