Cullman County, Alabama Cemeteries, Volume 4 Robin Sterling, 2013-07-23 Cullman County was established in 1877 in large part from the west side of Blount and the east side of Winston counties. Today the few old cemeteries which existed in those counties in the early days are found within the borders of Cullman. The cemetery listings in this four volume set were conducted by the author beginning in 2003 and ending in early 2006. An attempt was made to personally visit every cemetery in Cullman County and record information from each readable monument. Volume 4 of this series covers alphabetically cemeteries M through Z beginning with the Mt Zion United Methodist Church Cemetery and concluding with the Zion Grove Cemetery. The volumes are filled with photos of many of the old cemetery sites and notes describing the company and unit of most of the old Civil War era veterans. This set of books is vital to any serious student of Cullman County genealogy and history.
