**Philip the Second of Spain** Martin Hume,2017-12-13 For three hundred years a bitter controversy has raged around the actions of Philip the Second of Spain Until our own times no attempt even had been made to write his life history from an impartial point of view He had been alternately deified and execrated until through the mists of time and prejudice he loomed rather as the permanent embodiment of a system than as an individual man swayed by changing circumstances and controlled by human frailties

**For She Is Wrath** Emily Varga,2024-10-29 A sweeping Pakistani romantic fantasy reimagining of The Count of Monte Cristo where one girl seeks revenge against those who betrayed her including the boy she used to love Three hundred and sixty four days Framed for a crime she didn t commit Dania counts down her days in prison until she can exact revenge on Mazin the boy responsible for her downfall the boy she once loved and still can t forget When she discovers a fellow prisoner may have the key to exacting that vengeance a stolen djinn treasure they execute a daring escape together and search for the hidden treasure Armed with dark magic and a new identity Dania enacts a plan to bring down those who betrayed her and her family even though Mazin stands in her way But seeking revenge becomes a complicated game of cat

and mouse especially when an undeniable fire still burns between them and the power to destroy her enemies has a price As Dania falls deeper into her web of traps and lies she risks losing her humanity to her fight for vengeance and her heart to the only boy she s ever loved King of the Ring Enson Jack,2011-12-20 Japanese and world kick boxing champion Uno is the most brutal boxer on earth He kills his opponents In the ring and takes delight in doing so In his bid to stop the cruel Japaneses reign Rtd Colonel Richard Faga of the US army flies to South Africa to train and convenience a jail fresh and poverty stricken South African kick boxer to challenge Uno in a do or die title clash To dethrone Uno they are faced with many challenges but the prize is tempting 48 million is at stake Finally the fighters meet in the ring and in the most anticipated showdown in show business one is crowned the king of the ring *Colburn's United Service Magazine and Naval Military Journal* ,1889 **Memorials of Many Scenes** Richard Monckton Milnes (Baron Houghton),1844 **Phillip II of Spain** Martin Andrew Sharp Hume,1899 Philip II. of Spain Martin Andrew Sharp Hume,2020-09-28 FOR three hundred years a bitter controversy has raged around the actions of Philip II of Spain Until our own times no attempt even had been made to write his life history from an impartial point of view He had been alternately deified and execrated until through the mists of time and prejudice he loomed rather as the permanent embodiment of a system than as an individual man swayed by changing circumstances and controlled by human frailties The more recent histories of his reign the works of English American German and French scholars have treated their subject with fuller knowledge and broader sympathies but they have necessarily been to a large extent histories of the great events which convulsed Europe for fifty years at the most critical period of modern times The space to be occupied by the present work will not admit of this treatment of the subject The purpose is therefore to consider Philip mainly as a statesman in relation to the important problems with which he had to deal rather than to write a connected account of the occurrences of a long reign It will be necessary for us to try to penetrate the objects he aimed at and the influences personal and exterior which ruled him and to seek the reasons for his failure For he did fail utterly In spite of very considerable powers of mind of a long lifetime of incessant toil of deep laid plans and vast ambitions his record is one continued series of defeats and disappointments and in exchange for the greatest heritage that Christendom had ever seen with the apparently assured prospect of universal domination which opened before him at his birth he closed his dying eyes upon dominions distracted and ruined beyond all recovery a bankrupt State a dwindled prestige and a defeated cause He had devoted his life to the task of establishing the universal supremacy of Catholicism in the political interests of Spain and he was hopelessly beaten The reasons for his defeat will be seen in the course of the present work to have been partly personal and partly circumstantial The causes of both these sets of reasons were laid at periods long anterior to Philip s birth
