The Encyclopedia of Best Films Jay Robert Nash,2019-10-23 This all inclusive A Z

encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary, and unacceptable. Backmatter includes a list of top films by genre, i.e. animated, drama, sports, mystery, adventure, etc. as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection.

Murderous Acts Keven McQueen, 2021-10-05 While the Midwest may be known for salt of the earth folks, it's also home to murder and mayhem. In *Murderous Acts: 100 Years of Crime in the Midwest*, Keven McQueen explores a century of true crimes committed in 10 Midwestern states from the 1840s to the 1940s. With a touch of gallows humor, McQueen relies on original research to recount infamous transgressions including Michigan's Robert Irving Latimer case, the serial murders of Nebraskan Jake Bird, and the bloody deeds of Kansas's Bender family, as well as gruesome tales that are less well known such as the Wisconsin man with a penchant for swinging an axe at the necks of men he didn't care for, the Hoosier who killed his sweetheart in the midst of a Halloween ball, and the French nobleman who wreaked havoc in a St. Louis hotel. *Murderous Acts* will intrigue and delight fans of true crime and will send a shiver down the spine of any reader fascinated by the dark history of America's Heartland.

Dirty Deeds Suzanne Price, 2008-07-01 In the holiday season, Pigeon Cove bustles with big parties that create even bigger messes, and everyone wants cleaning wiz Sky Taylor to help with the aftermath. But when events turn from dirty to deadly, will she have the right solvent at her disposal? Between her newspaper column and her cleaning clients, Sky is on her way to a stable, self-sufficient life. All she needs now is a contract to clean City Hall. What she doesn't need is another messy murder investigation. What does she get? Both. The body of Kyle Fipps, real estate developer and wannabe actor, is the untidiest remnant of the Art Association's annual holiday bash. With his pack of scheming enemies and a smattering of even less trustworthy friends, it's very likely he was murdered. But when the investigation leads straight to City Hall, will Sky be the next one getting swept under the rug?
