The Aquarian Team, 2016-09-23 In our first book we shed some light on subjects that presently affect societies around the world such as politics education the economy art the role of women and so on We didnt talk about ourselves In this book we want to touch your heart and take you on our personal journeys our souls journeys as we reached a point in life when we questioned the purpose of our existence when we felt there had to be more than merely eating sleeping working raising a family and acquiring possessions Of course all of these are important but a part of us remained dissatisfied thirsty and ready to explore other realms of our being So we each embarked on a quest leading up the mountain of our soul and spirit Our paths towards the summit are all different yet we share an element we came to recognize as essential when climbing a mountain a well trained guide is life saving In our stories we each meet such a spiritual guide a master mountaineer able to show us the way toward the spiritual summits Omraam Mikhael Aivanhov Discover how his self mastery and the many methods he suggested influenced us Discover the direction we have taken as a result and how we keep climbing Join us in the awakenings to new heights of consciousness The spirit is above everything else and when you succeed in becoming one with it in identifying with it you receive strength peace of mind illumination Omraam Mikhael Aivanhov International Meditation Bibliography, 1950-1982 Howard R.
