Multicultural and Ethnic Children's Literature in the United States Donna L. Gilton, 2020-02-18 This edition of Multicultural and Ethnic Children's Literature in the United States addresses both quantitative and more qualitative changes in this field over the last decade Quantitative changes include more authors books and publishers book review sources booklists and awards organizations institutions and websites and criticism and other scholarship Qualitative changes include More support for new and emerging writers and illustrators Promotion of multicultural literature both in the U S and around the world as well as developments in global literature Developments in the literatures described throughout this book as well as in research supporting this literature The impact of technology Characteristics and activities of four adult audiences that use and promote multicultural children's literature and Changes in leaders and their organizations This is still a single reference source for busy and involved librarians teachers parents scholars publishers distributors and community leaders Most books on multicultural children's literature are written especially for teachers librarians and scholars They may be introductions to the literature selection tools teaching guides or very theoretical books on choosing evaluating and using these materials Multicultural and Ethnic Children's Literature in the United States focuses much more on the history of the development of this literature from the nineteenth century to the present day This book provides much more of a cultural and political context for the early development of this literature It emphasizes the self determining viewpoints and activities of diverse people as they produce materials for the young Multicultural and Ethnic Children's Literature describes organizations events activities and other contributions of diverse writers illustrators publishers researchers scholars librarians educators and parents It also describes trends in the research on the literature It elaborates more on ways in which diversity is still an issue in publishing companies and an extended list of related industries It describes related literature from outside of the U S and makes connections to traditional global literature Last Multicultural and Ethnic Children's Literature shows the impact of multiculturalism on education libraries and the mainstream culture in general While the other books on multiculturalism focus on how to find evaluate and use multicultural materials especially in schools and libraries this book is concerned over whether and how books are produced in the first place and how this material impact the broader society In many ways it supplements other books on multicultural

children s literature How the Ant Met the Zebra: Teach Your Child the Alphabet and How to Read Using Phonics and 42 Magic Words Patricia A. Stryker,2024-09-01 This is a charming children s story about a city ant that goes to the country to visit his friends a cat and a dog They have a good time together and meet a horse named George a lion flying a kite a very friendly octopus and a busy zebra If you want to you can also use this book to help teach children the alphabet and how to read using phonics and the 42 Magic Words that are always shaded in the story These 42 words start with ordinary easy to read words like ant bus cat dog egg fish gate etc They are magic because they contain at least one spelling of all of the 40 sounds in the English language In the back of the book is useful information that explains phonics and how to teach your children to read This book teaches children the letters of the alphabet and all of the 40 sounds in English using songs and other fun activities These sounds include the five short vowel sounds the five long vowel sounds the five other vowel sounds aw er ow oy and short oo and the digraphs ch ph sh th wh and ng As you read this story to children over and over again they can learn to read the 42 Magic Words This will give them a great start in learning to read Later children can enjoy reading this book themselves Comment from the author I wanted to see if I could make it easier for children to learn to read using phonics by introducing short and long vowels at the same time And by teaching them not just the alphabet but also teaching them all of the 40 sounds in English using songs and other fun activities This is the purpose of this book Pat Stryker

Philosophy of Education in Action David W.
