and agency management skills needed by counselors who are training to work in mental health services settings. Highly practical and comprehensive, it brings together the critical leadership responsibilities of clinical supervision and agency management into one reader-friendly text. The book distills the wisdom of specialists in each subject area and is replete with in-depth information that is often not sufficiently addressed in graduate programs. The book provides a solid foundation for counselors planning to supervise clinicians working with individuals and groups, attain leadership positions within an agency, or open their own professional practice. It encompasses key information about supervisory roles and responsibilities, ethics, multicultural issues, evaluation, and due process procedures, along with administrative issues such as agency leadership, budgeting, information management, crisis management, and quality improvement practices. Also included is practical information on networking and marketing in the community. Featuring case vignettes throughout, this book describes typical challenges faced during the transition to a leadership role and how to develop effective supervisory skills. End-of-chapter questions for reflection also help to make this an ideal text for courses in administration and supervision of mental health services, as well as a valuable resource for internship students. Examples of commonly used documents such as contracts and evaluation forms further add to the book's utility.

**Key Features:** Integrates management and leadership skills with clinical supervisory skills; the first text to unite these interrelated topics; Trains mental health counselors in skills necessary for leadership in agencies or large private practices; Supports CACREP standards for supervision and management of mental health services and programs; Includes samples of relevant paperwork: contracts, evaluation forms, etc.; Provides real-world examples through vignettes, as well as reflective questions.

**The Counselor's Companion** Jocelyn Gregoire, Christin Jungers, 2013-05-13

Students and recent graduates of counseling and human services programs will consider *The Counselor's Companion* an indispensable tool to enhance professional practice knowledge and skill. The text is a reference-style resource that provides new counselors with a way to bridge the gap between what they learned in the classroom and the challenges they will meet in their practice. Beginning counselors will find concise answers to common questions that will likely arise in the course of their professional development and a reliable reference companion as they embark on their careers in the profession. This volume features contributions from counselor educators and professionals in the field, guided largely by the core curriculum of the Council for Accreditation of Counseling and Related Programs (CACREP). Information is presented in brief form, making the main points of each section concise, clear, visible, and easily accessible. Readers are also introduced to cutting-edge areas of research.

*Supervision in Psychiatric Practice* Sallie G. De Golia, M.D., M.P.H., Kathleen M. Corcoran, Ph.D., 2019-04-03

This guide explores a range of supervisory techniques, from role playing and working with process notes to live supervision and cotherapy, as well as a variety of venues from inpatient and community-based settings to diverse administrative contexts and scholarly environments. It also features a thorough discussion of unique issues in supervision, as well as legal issues and the current state of professional development.
