## **New Headway English Course Upper Intermediate Level:**

*New Headway english course upper-intermediate.* Liz Soars, John Soars, 2000 New Headway English Course takes the successful Headway series into an exciting new era. It introduces new features to challenge adult and young adult students and ensure that learning English is interesting and motivating. The course combines the best of traditional methods with more recent approaches to help students use English both accurately and fluently. Learners at the upper intermediate level require a different approach. It is no longer appropriate to examine language items in isolation. In New Headway Upper intermediate grammatical areas are treated in greater depth so that students begin to perceive the systems that underlie the language. This new upper intermediate course provides around 120 hours of language learning. It follows on from New Headway Intermediate and together with Headway Elementary Headway Pre intermediate and Headway Advanced provides a fully comprehensive language teaching series. Key features: New universal topics selected from a wide variety of sources including authentic listening texts. In depth treatment of grammar. Each unit starts with a Test your grammar section followed by Language in context where students work out rules through Grammar questions. The Practice Bank provides a choice of wide ranging exercises and the Grammar Reference gives detailed rules of form and use. The grammar of spoken English is examined with work on areas such as being polite, linking and commenting, adverbs, exaggeration and understatement and lexis in discourse. Thorough skills syllabus. All four skills are developed systematically and integrated through related tasks. Well defined lexical syllabus with work on systems such as collocation, binomials, homonyms and compounds. Pronunciation practice is integrated at appropriate points throughout the units. Everyday English is practised in the Postscript section. In addition to the Student's Book there is a Teacher's Book with extra photocopiable activities, two Class Cassettes, a Workbook and an optional Workbook Cassette. This level is supplemented by Headway Upper intermediate Video and New Headway Upper intermediate Pronunciation.

**New Headway: Upper-Intermediate Third Edition: Student's Book** Liz Soars, John Soars, 2005-05-05 New Headway is the best selling series that combines the best of traditional methods with current teaching techniques. New Headway is renowned and valued for a reliable methodology that works at every level. No course offers more in terms of levels, components and support. The Upper Intermediate Student Book is brought right up to date with new topics, new features and a revised syllabus which all aid real progress. Key Features: Vital core grammar consolidated and expanded in exploratory Language Focus sections. New texts from a variety of sources provide the rich vocabulary input that learners need at this level. New listening material exposes learners to wide ranging examples of real spoken English. New sections: the Music of English and Spoken English highlight stress and intonation patterns and focus on features of informal spoken English to help learners boost their command. Hot words and Hot verbs present and practise vital collocations. New topics with international appeal deal with up to date issues that will engage learner.
