New Love Shaw Clifton, Salvation Army (N.Z.), 2004-01-01 *The Greening of Religion* Jonathan Leader

Editor, 2018-02-27 Some have said the America is the most religious industrialized country in the world 6 The power of politics driven at least in part by religious concerns was demonstrated dramatically in the November election But are people at this grassroots level the ones most likely to suffer the consequences of political deafness regarding climate change do they really understand the truth of the approaching environmental storm If not perhaps they will best learn new ways of thinking and living from those whom they hold in highest regard their religious leaders thinkers teachers writers and communicators With *The Greening of Religion* we hope to have added to a life saving public conversation perhaps even started some conversations And we hope those conversations will lead to actions which can shelter us from the inevitable and perhaps turn us from calamity even here at the last minute **Historical Dictionary of the Holiness Movement** William

Kostlevy, Gari-Anne Patzwald, Wallace Thornton Jr., 2024-10-21 Emerging as a spiritual renewal movement in Antebellum America with ties to Methodism and the reform ethos of the era it grew rapidly and spread internationally during the last three decades of the 19th century Women including the increasingly well known Phoebe Palmer were central actors in the Movement and from its origins Blacks were prominent in all aspects of the Movement Although its most familiar expression is found in the Salvation Army the movement established a thriving international network of periodicals camp meetings rescue missions and congregations birthing new denominations such as the Church of God Anderson the Church of the Nazarene and the Korea Evangelical Holiness Church while continuing to profoundly shape older Protestant denominations In the process playing a crucial role emergence of Pentecostalism and even shaping the piety of popular evangelicalism *Historical Dictionary of the Holiness Movement* Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on leaders personalities events facts movements and beliefs of the Holiness Movement This book is an excellent resource for students researchers and anyone wanting to know more about the Holiness Movement **Catherine Booth** John Read, 2014-01-30 Catherine Booth s achievements as a revivalist social reformer champion of women s rights and with her husband William Booth co founder of the Salvation Army were widely recognized in her lifetime However Catherine Booth s life and work has since been largely neglected This neglect has extended to her theological ideas even though they were critical to the formation of Salvationism the spirituality of the movement she cofounded This book examines the implicit theology that undergirds Catherine Booth s Salvationist spirituality and reveals the ethical concerns at the heart of her soteriology and the integral relationship between the social and evangelical aspects of Christian mission in her thought Catherine Booth emerges as a significant figure from the Victorian era a British theologian and church leader with a rare if not unique intellectual and theological perspective that of a woman

Saved, Sanctified and Serving Denis Metrustery, 2016-06-01 This comprehensive significant work on Salvation Army

theology and practice is designed to help reinforce Salvationists appreciation of their movement s rationale and mission helping to maintain and increase the Army s unique position within the Church and as part of global faith based responses to humanitarian need The writers in this volume hold and proclaim a clear vision for the Army s future fully seizing contemporary opportunities while retaining the fire and zeal of the primitive Movement Saved to Save and Saved to Serve Harold Hill,2017-07-24 The Salvation Army has now been around for more than one hundred and fifty years having celebrated its sesquicentennial in 2015 with an International Congress in London Over the years both the Army and the world in which it appeared have changed beyond recognition This is a good time for the movement to stop and look back not just to celebrate but to see where it is today The Army has not evolved in isolation from the world Bringing its own history with it it nevertheless belongs to the twenty first century world as much as William Booth s little East End Mission belonged to nineteenth century London This book attempts to explore the interaction between mission and world as it has impacted the Army s beliefs and practices as well as the place it now occupies in the wider world This critical and analytical study may also be of interest to those beyond the Army s ranks who would like to learn more about this remarkable organization The Salvation Army Year Book Theodore H. Kitching,2008 Thoughts on holiness, doctrinal and practical Walter Arthur Copinger,1883 *Baxter's Practical Works, Volume 1* ,2007-12 The editor s preface 1707 p xiii stated that the works of Richard Baxter are perhaps the best body of practical divinity that is extant in our own or any other tongue Richard Baxter lived from 1615 1691 The DIRECTORY was completed in 1665 Its scope was intended to cover all of practical theology a summa of casuistry Timothy Keller calls it the greatest manual on Biblical counseling ever produced **The missionary's foundation of doctrine, with practical reflections** Edward Townson Churton (bp. of Nassau.),1890
