A number of potentially devastating crises are converging upon planet earth early in the twenty first century All of these crises have significant prophetic implications and could have catastrophic consequences for human civilization This is the warning presented by Jerry Duke in The Generation of Crisis This is undoubtedly one of the most detailed accounts available concerning the converging political environmental and spiritual events which will distinguish the last days The catastrophic consequences which these crises could have on human civilization are chillingly presented and thoroughly substantiated with extensive documentation What will be the effect of these crises on humanity How are these events connected to bible prophecy Could these crises mark the end of the age and point to the second coming of Christ These questions are convincingly answered with frightening clarity The evidence is so overwhelming that it is impossible to ignore The Generation of Crisis is definitely a wakeup call for our generation Jerry Duke has over forty years of combined experience in theological studies and specialized research His theological experience includes not only his studies at Texas Bible College in Houston Texas but also over ten years of experience as an itinerant evangelist and subsequently as the senior pastor of churches in Pueblo Colorado and Danville Kentucky His experience in specialized research has been acquired during a twenty year law enforcement career Duke specializes in criminal investigations and has supervised numerous investigative units including General Investigations Special Investigations and Internal Affairs He currently holds the rank of lieutenant and serves as a bureau commander with the Bullhead City Police Department in Bullhead City Arizona He is married and lives in Fort Mohave Arizona with his wife Lisa He has two daughters Krystal and Epris along with three stepsons Aaron Justin and Ryan **The Maccordion Format** William Regan,2012-07 Writings of Charles S.
