Researching Your Colonial New England Ancestors

Patricia Law Hatcher, 2006 When the early colonists came to America they were braving a new world with new wonders and difficulties Family historians beginning the search for their ancestors from this period run into a similar adventure as research in the colonial period presents a number of exciting challenges that genealogists may not have experienced before This book is the key to facing those challenges This new book *Researching Your Colonial New England Ancestors* leads genealogists to a time when their forebears were under the rule of the English crown blazing their way in that uncharted territory Patricia Law Hatcher FASG provides a rich image of the world in which those ancestors lived and details the records they left behind With this book in hand family historians will be ready to embark on a journey of their own into the unexplored lines of their colonial past

A Sourcebook for Genealogical Research Foster Stockwell, 2015-09-18

Genealogists can sometimes require obscure resources when in search of information about ancestors Tracking down records to complete a family tree can become laborious when the researcher doesn't know where to begin looking Many of the best resources are maintained regionally or even locally and aren't widely known This reference work serves as a guide to both beginning and experienced genealogy researchers The sourcebook is easily accessible and usable featuring approximately 270 entries on all aspects of genealogical research and family history compilation The entries are listed alphabetically and cross referenced so any researcher can quickly find the information he or she is seeking Each state and each of the provinces of Canada has its own entry other countries are listed under appropriate headings The author also provides more than 700 addresses from all over the world so that the genealogist or general researcher may contact any one of these organizations to obtain specific information about particular births deaths marriages or other life events in order to complete a family tree
