A New England Girlhood (Classic Reprint) Lucy Larcom, 2017-11-10 Excerpt from *A New England Girlhood* The following sketch was written for the young at the suggestion of friends My audience is understood to be composed of girls of all ages and of women who have not for gotten their girlhood Such as have a friendly appreciation of girls and of those who write for them are also welcome to listen to as much of my narrative as they choose All others are eavesdroppers and of course have no right to criticise To many the word autobiography implies nothing but conceit and egotism But these are not necessarily its characteristics If an apple blossom or a ripe apple could tell its own story it would be still more than its own the story of the sunshine that smiled upon it of the winds that whispered to it of the birds that sang around it of the storms that visited it and of the motherly tree that held it and fed it until its petals were unfolded and its form developed About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
