James Douglas

New France New England:

New England and New France James Douglas, 1913 *New France and New England* John Fiske, 2015-06-17 Excerpt from *New France and New England* I hope to have it ready in about two years from now This preface bears the date of Mayday 1899 It will be seen that *New France and New England* completes the story of the settlement and development of the colonies up to the point where Mr Fiske's American Revolution has already taken up the narrative It therefore gives a final unity to the sequence of remarkable volumes which he has devoted to American history The lamented death of the brilliant author prevented him from giving the final touches to his work Most of the material for it was delivered as lectures before the Lowell Institute during the last winter of his life but only the first two chapters received his definite revision for the press The third chapter was unfinished but has been completed by a few pages enclosed in brackets and prepared in accordance with Mr Fiske's own memoranda indicating what incidents he proposed to include in the remaining paragraphs The other chapters were in the form of carefully prepared lectures but were not equipped with the side notes and annotations calling attention to authorities such as Mr Fiske supplied freely in his *Discovery of America* and other volumes About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

New England and New France - Contrasts and Parallels in Colonial History James Douglas, 2010-04 Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **New France and New England** John Fiske, 1902 *New France and New England* John Fiske, 2006-12 **Historical Works ...:** **New France and New England** John Fiske, 1902 **Nova Scotia's Massachusetts** George A. Rawlyk, 1973-05-01 This book is primarily concerned with describing and attempting to account for first the continuing economic hamperlock Massachusetts had during most of the period from 1630 to 1784 over the neighbouring colony and second the various military thrusts sent from New England to the region to the northeast The Making of America's Culture Regions Richard L. Nostrand, 2018-01-19 This outstanding text provides students with the essential foundation in the historical geography of the United States Distinguished scholar Richard L. Nostrand skillfully synthesizes decades of historical geography research in an engaging and thought provoking overview His regional geography framework emphasizes the three themes central to cultural geography cultural ecology cultural diffusion and cultural landscape to explain the formation and change of culture regions in the United States He shows convincingly that regions are a valuable pedagogical device for developing students

understanding of place and context The Map Thief Michael Blanding, 2014-05-29 The story of an infamous crime a revered map dealer with an unsavory secret and the ruthless subculture that consumed him Maps have long exerted a special fascination on viewers both as beautiful works of art and as practical tools to navigate the world But to those who collect them the map trade can be a cutthroat business inhabited by quirky and sometimes disreputable characters in search of a finite number of extremely rare objects Once considered a respectable antiquarian map dealer E Forbes Smiley spent years doubling as a map thief until he was finally arrested slipping maps out of books in the Yale University library The Map Thief delves into the untold history of this fascinating high stakes criminal and the inside story of the industry that consumed him Acclaimed reporter Michael Blanding has interviewed all the key players in this stranger than fiction story and shares the fascinating histories of maps that charted the New World and how they went from being practical instruments to quirky heirlooms to highly coveted objects Though pieces of the map theft story have been written before Blanding is the first reporter to explore the story in full and had the rare privilege of having access to Smiley himself after he d gone silent in the wake of his crimes Moreover although Smiley swears he has admitted to all of the maps he stole libraries claim he stole hundreds more and offer intriguing clues to prove it Now through a series of exclusive interviews with Smiley and other key individuals Blanding teases out an astonishing tale of destruction and redemption The Map Thief interweaves Smiley s escapades with the stories of the explorers and mapmakers he knew better than anyone Tracking a series of thefts as brazen as the art heists in Provenance and a subculture as obsessive as the oenophiles in The Billionaire s Vinegar Blanding has pieced together an unforgettable story of high stakes crime The Pioneers of New France in New England James Phinney Baxter, 1980-01-01 With contemporary letters and documents
