New Light On Alcoholism God Sam Shoemaker And A A:

New Light on Alcoholism Dick B.,1999 Dick B is a writer historian Bible student retired attorney and active recovered member of A A He and his son Ken devoted many years to researching the role life writings and contributions of Rev Samuel M Shoemaker to Alcoholics Anonymous The quest took Dick B to Shoemaker s churches in Pittsburgh and New York to the Episcopal Church Archives in Austin Texas to Hartford Seminary to Princeton University and to the family and friends of this great Episcopal rector and preacher In all Dick B has published 33 books on the history of early A A **New Light on Alcoholism** Dick B.,1994 A complete history Dr Paul Wood of the National Council on Alcoholism A A s Big Book teacher Joe McQ Dr Bob s son Smitty featured in major newspapers such as CLEVELAND PLAIN DEALER Author is a recovered alcoholic retired attorney Bible student has sponsored 70 men in recovery **New Light on Alcoholism** Dick B.,1998-03-01 God and Alcoholism Dick B.,2002 This book traces A A s real Bible based pioneer program It highlights the early view that relief from alcoholism and addictions can be obtained and a cure received by turning to God The author discloses his own recovery and deliverance within the rooms of A A and applauds the great and unique role of the society during the 20th Century

Introduction to the Sources and Founding of Alcoholics Anonymous Dick B.,2007 Intended for use by recovery newcomers educational and religious alcoholism programs recovery groups and treatment centers and substance abuse agencies Here for the first time is a simple accurate concise statement of the origins trends changes and detours leading up to involved in and evolving from A A s Big Book and Twelve Step spiritual program of recovery A must for introducing the A A 12 Step subject usefully *The James Club and the Original A. A. Programs Absolute Essentials* Dick B.,2011-07-26 For years A A has quietly acknowledged primarily through one publication that the early A A pioneers in Akron believed firmly that the answer to all their problems was in the Good Book as they called the Bible A A cofounder Dr Bob said that all the basic ideas were taken from their study of the Good Book And he added many many times that the three parts of the Bible the old timers considered absolutely essential to their spiritual program of recovery were 1 The Book of James 2 Jesus s Sermon on the Mount Matthew 5 7 3 1 Corinthians 13 Paul s famous chapter on love You can find the foregoing remarks in A A s DR BOB and the Good Oldtimers in pamphlets published by Akron AA and in several talks given through the years by Dr Bob himself And it was even his co founder friend Bill Wilson who spoke of the studies of James the Sermon and Corinthians the reading of these passages by Dr Bob s wife Anne to Bill and Bob and the fact that as Bill put it James was our favorite And he added that many favored calling the A A fellowship The James Club But this title offers a great deal more In three major parts it provides a detailed framework for studying each of the three Bible parts just as the A A pioneers did The reader can sit with his Bible open beside him his Big Book available for reference and Dick B s The James Club title before him He can study each of the three parts digest their messages compare with the A A program and its ideas and then apply these biblical truths in daily life in practicing the Twelve Steps and in understanding the miracles that the Creator Yahweh wrought when

the pioneers read and believed The first part of the book covers Jesus Sermon on the Mount Matthew 5 7 which both Bill W and Dr Bob said contained the underlying spiritual philosophy of A A The title begins with the Book of James however Dick B details why it has primacy in the study based in part on its being the AAs favorite and in part on the ease with which it can be read and understood Yet the meat of this wonderful book of the Bible lies in its explicit formula for cure especially the cure of the alcoholic James speaks of patience He speaks of enduring temptation He speaks of seeking God s wisdom without doubting He speaks of temptation as the enticement which turns into sin and finally death He strongly suggests that the readers be doers of the word the Bible not hearers only deceiving themselves He spells out what doing the Word is It s about action it s about following the royal law of loving thy neighbor its about benevolent giving without respect of persons and with specific aim at the downtrodden it s about backing up one s faith with deeds works as James called them it s about guarding the tongue and guarding the thoughts and guarding the actions so that devilish thoughts and impulses do not take over and finally it s about the importance of prayer confession of faults and the Lord s forgiveness and about prayer for healings In a nutshell this book summarizes the whole pioneer approach in Akron and of course it has nothing to do with steps or a basic text or the Oxford Group For there were no Steps no Traditions no Big Books no drunkalogs and no meetings as we know them today It s about God s healing ministry as A A old timer Clarence Snyder put it Then there s 1 Corinthians 13 and its relationship to Henry Drummond s famous treatise The Greatest Thing in the World Anne Smith's Journal, 1933-1939 Dick B.,1998 Dick B s second great discovery concerned the contents of the spiritual journal that Anne Ripley Smith had kept shared and used to teach Bill W other AAs and their families the underlying principles of A A The notebook lay unnoticed by historians and AAs alike even though it held the key to what early A A was really like as related by the lady who was there as teacher founder and recorder Dick B is a writer historian Bible student retired attorney and active recovered member of A A He regards the Anne Smith discovery as perhaps the greatest of his historical finds and subjects in helping AAs to recover today **Turning Point** Dick B.,1997 Dick B is today regarded as the leading A A historian He is a writer Bible student retired attorney and active recovered member of the A A fellowship He has brought to the history table 1 His strong belief in the Creator Christianity and the Bible as the main source book for truth 2 His long and fervent work with newcomers in helping them to overcome their alcoholism with the power of God 3 His talents in writing and research that emerged from his work at the University of California where he received a Phi Beta Kappa key his editorship of the Stanford Law Review and his vigorous practice in writing and presenting legal briefs before many many courts This mid point treatise had been followed by and added up to 33 A A history titles so far This book is foundational **Dr. Bob and His Library** Dick B.,1998 One of the earliest and most valuable discoveries by author Dick B in his search for the facts about the early A A program which had such great successes was the many varied and important Christian and other books read studied and circulated by A A Cofounder Dr Bob among early AAs and their families These are of great importance and utility today if you

are to be healed of alcoholism They cover the Bible Jesus Christ prayer healing alcoholism daily devotions Quiet Time the Oxford Group Rev Samuel M Shoemaker conversion and other relevant religious topics Dick discovered the books in the homes of Dr Bob s children read and analyzed and categorized them and placed them in this title Other books were mentioned elsewhere as having been read and circulated by Dr Bob and are included **Twelve Steps for You** Dick B.,2005 The much awaited work of A A Historian Dick B on the origins of each of the Twelve Steps First and foremost a history of each step How each of A A s co founders contributed to each of the Steps It looks at the original Akron A A program which had no Steps and took its basic ideas from the Bible and its principles and practices primarily from the United Christian Endeavor Movement of Dr Bob s youth Then source by source it looks at each Step as it was impacted upon by a particular contributor The Bible Oxford Group Rev Sam Shoemaker Dr Bob s wife Anne Smith the so called Six Steps then the other sources This book is an historical study of the roots of each Step and it can be used for individual and group study of the Steps in a very meaningful way It is also a guide A guide to understanding and a guide to taking each Step It also shows you how to take the Steps exactly as directed in A A s Big Book It suggests how you might look at each Step in terms of the contributions to that Step s language and meaning by each of its sources Finally it provides Christians and other students with a means of considering learning and taking each of the Steps in light of that Step s biblical and historical roots with the Big Book Bible and history at hand When you are through you will have a perspective of the real spiritual utility of the Twelve Steps in a believer s world despite the secularization and universalism that are diluting all Twelve Step programs and the language used in connection with the Steps For example God as we understood Him historically and biblically means Almighty God the Creator as He is understood by the newcomer at the time of taking Steps 3 and 11 So too powerless in Step 1 is presented in its historical context I was licked rather than in some puzzling linguistic context seldom understood or unraveled You ll know and guide the taking of the Twelve Steps as they were intended to be understood and as you never did before
