

YOU HOLD IN YOUR HAND THE ALL-TIME BEST-SELLING BOOK ON TRUTH—THE BIBLE.

Millions of teenagers across the country are tired of no right and wrong. . . . You want the truth. Those who read this book and continue to follow its instructions will find truth and will find God.

All Scripture is inspired by God and is useful to teach us what is true and to make us realize what is wrong in our lives. It straightens us out and teaches us to do what is right. It is God's way of preparing us in every way, fully equipped for every good thing God wants us to do. 2 Timothy 3:16-17

Remember, Scripture is God's way of preparing you for every good thing that He wants you to do—the life God wants you to live. The decision and challenge to follow Christ are yours. This commitment requires discipline and endurance and reaps the greatest reward—eternal life with God in heaven.

Labahn,2010 Most of the articles were presented and discussed at the seminar Early Christianity between Judaism and Hellenism at the Annual Meeting of the European Association of Biblical Studies in Piliscsaba and Budapest Hungary in

August 2006 The anthropological quest is still one of the classical approaches in historical critical as well as in other

methodological approaches to the New Testament The complexity of anthropological ideas in the New Testament is seldom presented neither explicitly nor in clearly defined terms but rather in stories about human beings or their inter actions and or parenetic teaching that is based on some often unstated presuppositions of what humans are like The different essays in

Anthropology in the New Testament and its Ancient Context are taking care of this complex situation and address a selection of important problems from the variety of ideas on anthropology in Early Christianity as well as in its Jewish and its

Hellenistic context The book does not aim to show a coherent New Testament anthropology as it is to write a coherent New Testament theology but rather tries to present new insights into the complexity of ancient anthropological discourses With

that aim the collection includes presentations on the human body and its purity a key feature in many ancient cultures and their anthropological systems questions of purity and impurity on the key anthropological terms sarks and soma in Paul how a Greco Roman reader would understand Paul s anthropological reasoning Paul s anthropology is also set in relation to Philo s view of humanity Platonic tripartite anthropology is also part of an article analyzing the common elements in the teaching concerning the human soul among Sethian Valentinian and Platonic writers Conversion another kind of adaptation of a

Hellenistic philosophical concept to early Christianity different early Christian ideas of the resurrected body and so called sepulchral anthropology are further subjects addressed in the book which finally deals with selected anthropological imagery in the Gospel of John and with anthropological perspectives in Hebrews The book contains contributions by Ida Froehlich

Tom Holmen Lorenzo Scornaienchi Martin Meiser George van Kooten Paivi Vahakangas Miguel Herrero de Jauregui Outi Lehtipuu Imre Peres Margareta Gruber and Walter Ubelacker The essays offer some new angles new methodological

approaches and important insights relevant to anthropological views in the New Testament
