EGYPTIAN SOCIETY AND MODERN FEUDALISM

AMIRA EL-AZHARY SONBOL

With a Foreword by Robert A. Fernea

New Mamluks

Il Kwang Sung

New Mamluks:

The Mamluks John Brunton, 2023-10-15 The colourful story of the Mamluk dynasty marked with treachery carnage and destructive behaviour is a significant chapter in the history of the Near East **The Ottomans and the Mamluks** Cihan Yüksel Muslu, 2014-07-25 Beginning on the eve of Oceanic exploration and the first European forays into the Indian Ocean and the Middle East The Ottomans and the Mamluks traces the growth of the Ottoman Empire from a tiny Anatolian principality to a world power and the relative decline of the Mamluks historic defenders of Mecca and Medina and the rulers of Egypt and Syria Cihan Y ksel Muslu traces the intertwined stories of these two dominant Sunni Muslim empires of the early modern world setting out to question the view that Muslim rulers were historically concerned above all with the idea of Jihad against non Muslim entities Through analysis of the diplomatic and military engagements around the Mediterranean and Indian Ocean Muslu traces the interactions of these Islamic super powers and their attitudes towards the wider world This is the first detailed study of one of the most important political and cultural relationships in early modern Islamic history

Mamluks in the Modern Egyptian Mind Il Kwang Sung, 2016-11-25 This book explores how modern Egyptians understand the Mamluks and reveals the ways in which that historical memory is utilized for political and ideological purposes It specifically examines the representations of the Mamluks from two historical periods the Mamluk Sultanate era 1250 1517 and the Mamluks under the Ottoman era 1517 1811 focusing mostly on the years 1760 1811 Although the Mamluks have had a great impact on the Egyptian collective memory and modern thought the subject to date has hardly been researched seriously with most analyses given to stereotypical negative representations of the Mamluks in historical works However many Egyptian historians and intellectuals presented the Mamluk era positively and even symbolized the Sultans as national icons This book sheds light on the heretofore neglected positive dimensions of the multifaceted representations of the Mamluks and addresses the ways in which modern Egyptians utilize that collective memory Mamluk History through Architecture Nasser Rabbat, 2010-09-30 The most enduring testament to the Mamluk Sultanate is its architecture Not only do Mamluk buildings embody one of the most outstanding medieval architectural traditions Mamluk architecture is actually a key to the social history of the period Analysing Mamluk constructions as a form of communication and documentation as well as a cultural index Mamluk History Through Architecture shows how the buildings mirror the complex and historically unique military political social and financial structures of Mamluk society With this original and authoritative study Nasser Rabbat offers an innovative approach to the history of the Mamluks through readings of the spectacular architecture of the period Drawing on examples from throughout both Egypt and Syria from the Citadel and Al Azhar Mosque of Cairo to the Mausoleum of al Zahir Baybars in Damascus Rabbat demonstrates how Mamluk architecture served to reinforce visually the spirit of the counter Crusade when the Muslim world rebounded from the setbacks of the First Crusade Both holistically and in case studies Rabbat demonstrates how history is inscribed into and reflected by a culture s artefacts This is a

groundbreaking work in the study of architecture and social history in the Middle East and beyond **The Armenian Kingdom and the Mamluks** Angus Donal Stewart, 2021-10-01 This volume gives an in depth account of the relations between the Mamluk Sultanate of Egypt and Syria and the Armenian Kingdom centred on Cilicia in southern Asia Minor in the period after the collapse of the Crusader States As well as diplomatic encounters the work describes in detail for example the course of the Mamluk invasions of Cilicia and the Armenian involvement with the Mongol invasions of Mamluk Syria The work is substantially based on sources written in Arabic in the Mamluk Sultanate Using them in conjunction with more pro Armenian sources it demonstrates the value of these Arabic histories which provide many new insights and details Both in its subject and in its use of sources this work demonstrates an important new direction for scholars of the Middle East *The Mamluks in Egyptian and Syrian Politics and Society* Michael Winter, Amalia Levanoni, 2004 This volume is a collection of studies by leading historians on central aspects of the Mamluk Empire of Egypt and Syria 1250 1517 and of Ottoman Egypt 16th 18th century where the Mamluks survived under the Ottoman suzerainty *Mamluks and Generals* Mohamed Saad, 2025-02-06 Mamluks and Generals A Study on the Genealogy of Military Rule in Egypt examines the intersection of history politics and the dynamics of military power It seeks to explore how the deeply rooted traditions of Mamlukism characterized by exclusivity militarization and centralized authority continue to shape Egypt's governance in the modern era The inspiration for this study arose during the tumultuous years following the Arab Spring as Egypt experienced dramatic political shifts The military's swift reclamation of power after 2011 mirrored patterns from centuries past where military elites resisted attempts to democratize or decentralize authority These parallels between historical Mamluk practices and contemporary governance raises the question of whether Egypt's political system has ever truly escaped the shadows of its praetorian roots The author examines both the structural aspects of military dominance and also its societal and economic dimensions This investigation of the genealogy of Mamlukism and its persistence in modern Egypt provides a framework for understanding the military's enduring role in shaping the state and resisting democratization [The Cambridge World History of Slavery: Volume 2, AD 500-AD 1420](#) Craig Perry, David Eltis, Stanley L. Engerman, David Richardson, 2021-08-12 Medieval slavery has received little attention relative to slavery in ancient Greece and Rome and in the early modern Atlantic world This imbalance in the scholarship has led many to assume that slavery was of minor importance in the Middle Ages In fact the practice of slavery continued unabated across the globe throughout the medieval millennium This volume the final volume in *The Cambridge World History of Slavery* covers the period between the fall of Rome and the rise of the transatlantic plantation complexes by assembling twenty three original essays written by scholars acknowledged as leaders in their respective fields The volume demonstrates the continual and central presence of slavery in societies worldwide between 500 CE and 1420 CE The essays analyze key concepts in the history of slavery including gender trade empire state formation and diplomacy labor childhood social status and mobility cultural attitudes spectrums of dependency and coercion

and life histories of enslaved people **History and Society During the Mamluk Period (1250-1517)** Stephan Conermann, 2014 Once a person starts to study the 250 some years of the Mamluk Era in Egypt and Syria 1250-1517 one characteristic of that period stands out immediately the very unusual polarization of its society A predominantly Arabic population was dominated by a purely Turkish born elite of manumitted military slaves who sought to regenerate themselves continuously through a self imposed fiat The only person who could become a Mamluk was a Turk who had been born free outside the Islamic territories as a non Muslim then enslaved brought to Egypt as a slave converted to Islam freed and finally trained as a warrior Only those who met these prerequisites were members of the ruling stratum with all the concomitant political military and economic advantages On this historically unique model of a society Stephan Conermann has published a series of seminal articles In this edited volume the reader gets an excellent introduction to some of the central issues of the ongoing research on the Mamluk history and society *The Mamluks in Egyptian Politics and Society* Thomas Philipp, Ulrich Haarmann, 1998-02-12 In this book distinguished scholars provide an accessible introduction to the structure of political power under the Mamluks and its economic foundations
