Not Your Everyday Lady:

Not Your Everyday Housewife Mary Campisi, 2013-07-07 Sometimes we're lucky enough to get that second chance in life and in love. That Second Chance Series are stand alone stories of strong women who battle heartache and loss with a courage and determination to find new paths and true love. What ties them together? A common theme: belief in the beauty of that second chance. *Not Your Everyday Housewife* is Book Five of That Second Chance Series. A wise and humorous tale of living large after 40 as women finally make peace with themselves, wrinkles, blubber, neuroses, exes, and all. Three women embark on a month long discovery journey and uncover quite a few tidbits along the way: one bottle of Clairol Midnight will not cover a full head of red hair and never talk to men wearing polyester pants hiked up with a tan belt. But most of what they unearth is about themselves: who they are, what they really want, what they really don't want. The center of controversy is a Maid for You mixer which symbolizes a boring routine suburban life with no second chances. Then along comes insight in the form of Tula Rae, a sixty something salsa dancing Dalai Lama, quoting a four time widow in Spandex and a gray braid who gives them a different perspective on life, love, do-overs, and the real reason a man buys his woman a Maid for You mixer, which she says is all about S E X. That Second Chance Series Book One: Pulling Home. Also prequel to A Family Affair. The Promise Book Two: The Way They Were. Also prequel to A Family Affair. The Secret Book Three: Simple Riches. Also prequel to A Family Affair. Winter Book Four: Paradise Found. Book Five: *Not Your Everyday Housewife*. Book Six: The Butterfly Garden. *Not Your Ordinary Group Home Girl* C. C. C., 2013-01-17 As the years had gone by, I had started to reflect on my life and how far I had come from foster care to being in group home, after group home, my entire life to this point in my life and felt it was best to leave those who meant me no good in the past. However, sometimes the past just doesn't want to let you go. I went through so much growing up and even in my adult life, I actually spent the majority of my life in group homes from the ages of 12 to 22. So I feel that a lot of my growing has come from being raised by staff members, group home supervisors, neighborhood people, and the group home girls I lived with. It was a struggle, but being in those group homes made me who I am today and I can't complain due to how I turned out. So I figured I'd write my thoughts, my vision, my struggles, my trials, and tribulations down on a piece of paper and share my life with the world as being *Not Your Ordinary Group Home Girl*. *Not Your Everyday Stories: Part One* Christopher Thompson, **Twilight Ladies** Meg Opperman, 2021-09-23 *Twilight Ladies* won the Best Short Story Derringer Award in 2015. A rash of muggings in Mwanza, Tanzania, sends a very pregnant Police Constable Kokuteta Mkama in pursuit of the mysterious young woman behind the crimes. Sifting through the clues, P. C. Mkama discovers these random robberies aren't so random after all. *The Barb Goffman Presents* series showcases modern masterpieces of mystery, crime, and suspense, selected by acclaimed mystery author and editor Barb Goffman. **Women of the Nation** Dawn-Marie Gibson, Jamillah Karim, 2014-07-11 Presents oral histories and interviews of women who belong to the Nation of Islam. With vocal public figures such as Malcolm X, Elijah Muhammad, and Louis Farrakhan, the Nation of Islam often appears

to be a male centric religious movement and over 60 years of scholarship have perpetuated that notion Yet women have been pivotal in the NOI s development playing a major role in creating the public image that made it appealing and captivating Women of the Nation draws on oral histories and interviews with approximately 100 women across several cities to provide an overview of women s historical contributions and their varied experiences of the NOI including both its continuing community under Farrakhan and its offshoot into Sunni Islam under Imam W D Mohammed The authors examine how women have interpreted and navigated the NOI s gender ideologies and practices illuminating the experiences of African American Latina and Native American women within the NOI and their changing roles within this patriarchal movement The book argues that the Nation of Islam experience for women has been characterized by an expression of Islam sensitive to American cultural messages about race and gender but also by gender and race ideals in the Islamic tradition It offers the first exhaustive study of women s experiences in both the NOI and the W D Mohammed community **Not Your Ordinary**
