Peg A Dream Betrayed:

Peg - a Dream Betrayed Florence Joseph Paul, 2000-11-01 Raised in the luxury of a wealthy family in an exclusive suburb of London beautiful young Peg Walford yearns for the freedom and excitement which life in America seems to offer It beckons to her When she leaves her family and Sean with whom she would have given in to making love she feared it would give her reason not to leave England for America She experiences both thrills and a few fears and shocks and fails to recognize her own naivete and vulnerability Her charm and appearance bring her to the attention of men everywhere but she s determined to find the right man When she finds one she believes is the right one an impulsive marriage turns out to be torture for her She has a child and eventually leaves him and becomes degraded However despite the degradation she was fortunate to find a wonderful woman who offered to care for her little girl so that Peg could find work Assaulted while coming home from work shes attacked in the street She eventually turns to prostitution Peg felt the pounding of her heart It was early as she strolled along the path edged with varicolored pansies It was now time to go home the seven months seemed to her like years At 29 her past torment had not as yet etched itself into her attractive face Her short golden hair haloed her fair skin The faint blush on her cheeks lovely green eyes and smooth full lips gave her a youthful look Her figure was still that of a young girl With prayer in mind she looked up at the bright blue sky and prayed for help to ease the return to her little girl the baby boy shed never seen and Bill her love The past could no longer harm her she knew she was free of it and could view the years as a sideline observer According the doctor she was ready to return to her family but would they all be comfortable with her She tensed at the nagging thought She moved slowly thinking how her life had gotten so completely off the path shed planned from carefree little rich girl to this She realized how naive it was to think she could go it alone ignoring everyones advice Peg tiurned to look at the two story building that had been home for the past seven months It was a little frightening to be leaving her cocoon but she hoped Bill would give her all the support shed need She thought how difficult it must have been for him Soon she heard a car coming into the parking lot and it brought her back to the present She ran through the building where she waited at the security door for whoever was coming hoping it was Bill Betrayal of the Judge's Wife Richard Murphy, 2019-03-13 This is a litany of would ve could ve and should ve by two talented people After a divorce an elegant woman seeks the help of a criminal thug to prevent her ex husband from harassing her Events escalate to unimaginable consequences This novel is about a couple each of whom possessed brilliant skills and potential who hit snags in their life s journey during the sixties seventies and eighties which detoured them including prison time but didn t defeat them This novel inspired by a mid Western case treats many of the issues during the 60s 70s and 80s including Vietnam War abortion PTSD women s prison women s lib conscription and Ohio State basketball **Rapture's Betrayal** Candace McCarthy, 2014-01-02 She Learned Of Love In A Time Of War When patriotic Kirsten Van Atta found a Continental soldier lying wounded in the woodland path near her New Jersey colony home she knew she must do what she could for the

Revolutionary cause and nurse him back to health It was a risky undertaking there were British soldiers in residence at the local tavern But the greatest threat came from the soldier himself His broad shouldered strength and russet brown eyes made her long to embark on desire s rapturous course though she knew little about Richard Maddox except that he would soon leave her He Risked His Life For A Dangerous Passion Richard Maddox owed his life to the blond blue eyed ministering angel who d found him when he was near death But could he trust her when spies were everywhere and his mission was so important And what would she think if she saw him in his Tory uniform The dangers were many but in the midst of the horror of war he could not deny himself the chance to sample the pleasures that Kirsten s lush flesh and tender touch promised

110 000 Words *The Betrayal of American Prosperity* Clyde Prestowitz, 2010-05-11

CONSIDER THIS SHOCKING FACT while China s number one export to the United States is 46 billion of computer equipment the number one export from the U S to China is waste 7 6 billion of waste paper and scrap metal Bestselling author Clyde Prestowitz reveals the astonishing extent of the erosion of the fundamental pillars of American economic might beginning well before the 2008 financial crisis and the great challenge we face for the future in competing with the economic juggernaut of China and the other fast rising economies As the arresting facts he introduces show the U S is rapidly losing the basis of its wealth and power as well as its freedom of action and independence If we do not make dramatic changes quickly we will confront a painful permanent slide in our standard of living the dollar will no longer be the world s currency our military strength will be whittled away and we will be increasingly subject to the will of China Russia Saudi Arabia and various malcontents But it doesn t have to be that way As Prestowitz shows in a masterful account of how we ve come to this fateful juncture we have inflicted our economic decline on ourselves we abandoned the extraordinary approach to growth that drove the country s remarkable rise to superpower status from the early days of the republic up through World War II For most of our history we supported our home industries protected our market against unfair trade made the world s finest products leading the way in technological innovation and we were strong savers But in the post WWII era we reversed course as our leadership embraced a set of simplistically attractive but disastrously false ideas that consumption rather than production should drive our economy that free trade is always a win win that all globalization is good that the market is always right and government regulation or intervention in the economy always causes more harm than good and that it didn t matter that our factories were fleeing overseas because we were moving to the higher ground of services In a devastating account Prestowitz shows just how flawed this orthodoxy is and how it has gutted the American economy The 2008 financial crisis was only its most blatant and recent consequence It is time to abandon these false doctrines and to get back to the American way of growth that brought us to world leadership Prestowitz presents a deeply researched and powerful set of highly practical steps that we can begin implementing immediately to reverse course and restore our economic leadership and excellence *The Betrayal of American Prosperity* is vital reading for all Americans concerned about the future of the economy and of our power in the coming era
