George Lambrakis,2019-12-10 This book of memoirs is not like most George Lambrakis an American Senior Foreign Service Officer with over three decades of service and two decades of teaching international relations and diplomacy tells it in detail exactly as it was and still is fun warts and all His vivid anecdotes take us through live and dangerous action interacting with world leaders and common folks as we visit

Vietnam and Laos West Africa s pro Communist Guinea Middle Eastern hotspots like Israel and Lebanon during civil war where he has policy disagreements with Secretary of State Henry Kissinger and Director of Personnel Ambassador Carol Laise and on to Iran before and after its revolution passing through Munich Rome London the U N in New York and Geneva Africa s Guinea Bissau and Swaziland All this with assignments of great variety in Washington culminating as director of an office that is trying to limit the political fall out of the U S military build up in the Middle East a build up which later reverses Saddam Hussein s invasion of Kuwait but leads to the tragic invasion of Iraq and probably invites Osama Bin Laden s attack on America *Excellency* Koon San Tan,2000 The Amateur Diplomat Thomas B. Diplomat Charles Thayer,1956 *Ambassador at Large: Diplomat Extraordinary* L.H. Burke,1972-07-31 *Independent Diplomat* Carne Ross,2011-02-23 Although diplomats negotiate more and more aspects of world affairs from trade and security issues to health human rights and the environment we have little idea of and even less control over what they are doing in our name In *Independent Diplomat* Carne Ross provides a compelling account of what s wrong with contemporary diplomacy and offers a bold new vision of how it might be put right For more than fifteen years Ross was a British diplomat on the frontlines of numerous international crises including the Israeli Palestinian conflict the war in Afghanistan and the buildup to the invasion of Iraq over which he eventually resigned from the British civil service In 2005 he founded

Independent Diplomat a nonprofit advisory firm that offers diplomatic advice and assistance to poor politically marginalized or inexperienced governments and political groups including Kosovo Somaliland and the Polisario movement in the Western Sahara as well as to NGOs and other international institutions Drawing on vivid episodes from his career in Oslo Bonn Kabul and at the UN Security Council Ross reveals that many of the assumptions that laypersons and even government officials hold about the diplomatic corps are wrong He argues passionately and persuasively that the institutions of contemporary diplomacy foreign ministries the UN the EU and the like often exclude those they most affect He exposes the very limited range of evidence upon which diplomats base their reports and the profoundly closed and undemocratic nature of the world s diplomatic forums As a diplomat Ross was encouraged to see the world in a narrow way in which the power of states and interests overwhelmed or excluded more complex sophisticated ways of understanding As Ross demonstrates however the reality of diplomatic negotiations whether at the UN or among the warlords of Afghanistan shows different forces at play factors ignored in reductionist descriptions and academic theories of international relations To cope with the complexities of today s world diplomats must open their doors and minds to a far wider range of individuals and groups concerns and ideas than the current and increasingly dysfunctional system allows Diplomat Among Warriors Robert Daniel Murphy,1976
