Bailey,1995 The teaching on the seven rays can enable all true servers to work with greater skill and effectiveness in their chosen field of activity As Alice Bailey wrote a study of the rays will mean that we shall have a practical method of analysis whereby we can arrive at a right understanding of ourselves as ensouling entities and at a wiser comprehension of our fellow men We can then deal more intelligently with ourselves with our children and with our friends and associates We shall find ourselves able to co operate more wisely with the Plan as it is seeking expression at any particular time **ESOTERIC ASTROLOGY - VOL. 8** Dr. Douglas M. Baker,2016-07-29 Introduction to ESOTERIC ASTROLOGY VOL 8 THE SOUL S PURPOSE CASES 17 33 By Dr Douglas M Baker This very important work is based on an

analysis of the horoscope placing emphasis on the Rising Sign as it expresses the Soul's Purpose and its nuances. Thus the universal approach is yet maintained but brought to bear on the specific or existential features of the individual's horoscope. Via 17 detailed analyses in this volume the earnest student or professional astrologer is given in depth information regarding Karma, previous lives, chakras, myth, objects for meditation, the Ray of the Soul and of course the Soul's purpose for the personality. Vol 7 treats cases 1-16. The introductory section explains Symbols and Methods used, Planetary Rulers, Chart Interpretation, Permutations in Basic Symbols, Compound Complexes, The Rising Sign, House Cusps, Sun Earth Opposition, Astrological Parsing, Literal Parsing, Aspects, Use of Angular Aspects, Planet Sign, House Influences, Intercepted Signs, Retrograde Planets, Karmic Indications in the Horoscope. Whilst esoteric astrology is primarily concerned with the hegemony of the soul as it progressively asserts itself in the life of the individual, it is also capable of providing the personality with direction and useful advice. When we are dealing with Man on the Path, a far far more accurate interpretation of his situation, its potentials and limitations for expression is given here by using the esoteric rulers of the Signs of the Zodiac as demonstrated in esoteric astrology. The development of the computer has made the horoscope available to the millions and it is but a matter of time before the same computers begin to sieve out the real from the unreal. In the end, however, the real is only discovered within and the fullest exposition of esoteric astrology gives the keys to such discoveries within and their correlation to wide and more universal principles. To ignore the individual horoscope is to leave astrology esoteric or exoteric with feet of clay. What this writing represents is a wiser and more psychosynthetic interpretation of the horoscope. Thus providing the interpreter views the horoscope from a point of higher synthesis, the most accurate interpretation of a personality matter may be gauged from particular astrological aspects. Bailey herself or the Tibetan Master through her gave the key to the psychosynthetic approach by allocating esoteric rulerships to the Signs for Man on the Path and a further set of rulers called hierarchical which apply to those disciples who are initiate and engaged in the work of the Hierarchy of this planet as It implements the Divine Plan for the Earth.
