Reaches Of Empire The English Novel From Edgeworth To Dickens:

Reaches of Empire Suvendrini Perera, 1991 **Dickens, Sexuality and Gender** Lillian Nayder, 2017-03-02 This volume of essays examines Dickens's complex representations of sexuality and gender as well as his use of gender ideologies and sexual and gender differences over the course of his literary career from his first sketches and early novels to his late works of fiction The essays approach gender issues in Dickens's writing by focusing on a number of topics his treatment of gender ideals and transgressions the intersections and displacements among gender class and race the ties between gender and the body and among gender voice and language his depiction of the homosocial and the homoerotic and the relation between gender and the law The essays provide an introduction to the most recent approaches to Dickens's fiction in addition to those now considered classic draw on queer theory and also feature a variety of methodologies ranging across feminist historicist and psychoanalytic methods of interpretation The collection represents the best of previously published research by Dickens's scholars and illuminates for students and scholars alike the meaning of gender in such novels as *The Pickwick Papers* *Dombey and Son* and *Our Mutual Friend* *Conversion and Reform in the British Novel in the 1790s* A. Markley, 2008-12-22 *Conversion and Reform* analyzes the work of those British reformists writing in the 1790s who reshaped the conventions of fiction to reposition the novel as a progressive political tool Includes new readings of key figures such as Mary Wollstonecraft and Thomas Holcroft *The Cambridge Companion to the Victorian Novel* Deirdre David, 2001 In *The Cambridge Companion to the Victorian Novel* first published in 2000 a series of specially commissioned essays examine the work of Charles Dickens the Brontës George Eliot and other canonical writers as well as that of such writers as Olive Schreiner Wilkie Collins and H Rider Haggard whose work has recently attracted new attention from scholars and students The collection combines the literary study of the novel as a form with analysis of the material aspects of its readership and production and a series of thematic and contextual perspectives that examine Victorian fiction in the light of social and cultural concerns relevant both to the period itself and to the direction of current literary and cultural studies Contributors engage with topics such as industrial culture religion and science and the broader issues of the politics of gender sexuality and race The Companion includes a chronology and a comprehensive guide to further reading **A Concise Companion to the Victorian Novel** Francis O'Gorman, 2008-04-15 This volume presents fresh approaches to classic Victorian fiction from 1830 1900 Opens up for the reader the cultural world in which the Victorian novel was written and read Crosses traditional disciplinary boundaries Provides fresh perspectives on how Victorian fiction relates to different contexts such as class sexuality empire psychology law and biology Transatlantic Insurrections Paul Giles, 2010-08-03 Selected by *Choice* magazine as an Outstanding Academic Title Paul Giles traces the paradoxical relations between English and American literature from 1730 through 1860 suggesting how the formation of a literary tradition in each national culture was deeply dependent upon negotiation with its transatlantic counterpart Using the American Revolution as the fulcrum of his argument

Giles describes how the impulse to go beyond conventions of British culture was crucial in the establishment of a distinct identity for American literature. Similarly, he explains the consolidation of British cultural identity partly as a response to the need to suppress the memory and consequences of defeat in the American revolutionary wars. Giles ranges over neglected American writers such as Mather Byles and the Connecticut Wits as well as better known figures like Franklin, Jefferson, Irving, and Hawthorne. He reads their texts alongside those of British authors such as Pope, Richardson, Equiano, Austen, and Trollope. Taking issue with more established utopian narratives of American literature, *Transatlantic Insurrections* analyzes how elements of blasphemous burlesque humor entered into the making of the subject.

Dangerous Intimacies Lisa Moore, 1997 This study challenges the idea that sex between women was unimaginable in British culture before the late 19th century. Author Lisa Moore argues that literary representations of sapphic relationships between women were central to 18th century debates over English national identity and in novels were encoded within wider social concerns regarding race, nation, and colonialist ventures.

White Horizon Jen Hill, 2009-01-08 Bridging historical and literary studies, *White Horizon* explores the importance of the Arctic to British understandings of masculine identity, the nation, and the rapidly expanding British Empire in the nineteenth century. Well before Coleridge's *Ancient Mariner* and Mary Shelley's *Frankenstein*, polar space had come to represent the limit of both empire and human experience. Using a variety of texts from explorers' accounts to boys' adventure fiction as well as provocative and fresh readings of the works of Mary Shelley, Charlotte Brontë, Charles Dickens, and Wilkie Collins, Jen Hill illustrates the function of Arctic space in the nineteenth century British social imagination, arguing that the desolate north was imagined as a pure space, a conveniently blank page on which to write narratives of Arctic exploration that both furthered and critiqued British imperialism.

Charlotte Brontë - Jane Eyre Sara Lodge, 2008-11-27 Sara Lodge offers a lively introduction to the critical history of one of the most widely studied nineteenth century novels, from the first reviews through to present day responses. The Guide also includes sections devoted to feminist, Marxist, and postcolonial criticism of *Jane Eyre*, as well as analysis of recent developments.

Literature in a Time of Migration Josephine McDonagh, 2021-05-13 *Literature in a Time of Migration* offers a profound rethinking of British fiction in light of the new practices of human mobility that reshaped the nineteenth century world. Building on the growing critical engagement with globalization in literary studies, it confronts the paradox that at a time when transnational human movement occurred globally on an unprecedented scale, British fiction appeared to turn inward to tell stories of local places that valorized stability and rootedness. In contrast, this book reveals how literary works from the end of the Napoleonic Wars to the advent of the New Imperialism were active components of a culture of colonization and emigration. Fictional texts as print commodities were enmeshed in technologies of transport and communication, and innovations in literary form were spurred by the conditions and consequences of human movement. Examining works by Scott, Charlotte Brontë, Dickens, and George Eliot, as well as popular contemporaries Mary Russell Mitford, John Galt, and Thomas Martin Wheeler, this volume

demonstrates how literary texts overlap with an agenda set in public discussions of colonial emigration that they also helped to shape Debates about assisted emigration forced and free migration colonization settlement and the removal of native peoples figure in fictions in complex ways Read alongside writings by emigration theorists practitioners and enthusiasts for colonization fictional texts reveal a powerful and sustained engagement with British migratory practices and their worldwide consequences Literature in a Time of Migration is a timely reminder of the place and importance of migration within British cultural heritage

Teaching Nineteenth-Century Fiction A. Maunder, J. Phegley, 2015-12-04 This book brings together the experiences of Anglo American teachers and discusses some of the challenges which face teachers of nineteenth century fiction suggesting practical ways in which these might start to be overcome by considering the constantly changing canon issues related to course design and the possibilities offered by film and ICT

Clarence Catharine Maria Sedgwick, 2011-10-20 Honorable mention recipient for the 2012 Society for the Study of American Women Writers Award A pioneering American novel of manners first published in 1830 Catharine Sedgwick's Clarence follows heiress Gertrude Clarence as she negotiates the perils of the marriage market in New York City Giving Gertrude's family English and Caribbean histories Sedgwick aligns the United States in the 1820s with a larger Atlantic world This edition of Sedgwick's cosmopolitan novel will contribute to a rethinking both of the history of the American novel of manners and to the shape of Sedgwick's career as one of the most important novelists of the first half of the nineteenth century This Broadview edition offers a rich selection of contextual materials including selections from Sedgwick's correspondence and journals reconstructing the origins of the novel engravings and lithographs of key sites in the novel American and British reviews of the novel and documentation of the author's revised edition of 1849

Britain's Chinese Eye Elizabeth Chang, 2010-04-20 This book traces the intimate connections between Britain and China throughout the nineteenth century and argues for China's central impact on the modern British visual imagination through a study of gardens blue and white willow plates the opium den and the photograph and literary texts

A Companion to the Victorian Novel Patrick Brantlinger, William Thesing, 2008-04-15 The Companion to the Victorian Novel provides contextual and critical information about the entire range of British fiction published between 1837 and 1901 Provides contextual and critical information about the entire range of British fiction published during the Victorian period Explains issues such as Victorian religions class structure and Darwinism to those who are unfamiliar with them Comprises original accessible chapters written by renowned and emerging scholars in the field of Victorian studies Ideal for students and researchers seeking up to the minute coverage of contexts and trends or as a starting point for a survey course

Edward Said Valerie Kennedy, 2013-04-24 Edward Said is one of the foremost thinkers writing today His work as a literary and cultural critic a political commentator and the champion of the cause of Palestinian rights has given him a unique position in western intellectual life This new book is a major exploration and assessment of his writings in all these main areas Focusing on Said's insistence on the connection between literature

politics and culture Kennedy offers an overview and assessment of the main strands of Said's work drawing out the links and contradictions between each area The book begins with an examination of Orientalism one of the founding texts of post colonial studies Kennedy looks at the book in detail probing both its strengths and weaknesses and linking it to its sequel Culture and Imperialism She then examines Said's work on the Palestinian people with his emphasis on the need for a Palestinian narrative to counter pro Israeli accounts of the Middle East and his searing criticisms of US Israeli and even Arab governments The book closes with an examination of Said's importance in the field of post colonial studies notably colonial discourse analysis and post colonial theory and his significance as a public intellectual This book will be of great interest to anyone studying post colonialism literary theory politics and the Middle East as well as anyone interested in Said's writings

Histories of Science David Alff, Danielle Spratt, 2025-06-30 Spreading the news of scientific breakthroughs in the eighteenth century Histories of Science shows how different forms of media communicated scientific breakthroughs during the long eighteenth century bringing together eighteen humanities scholars to discuss the representation reception and application of natural philosophy in the Atlantic world In particular the authors focus on descriptions of scientific discoveries in popular print with essays on topics as varied as placebo pills irrigation systems and navigational technology And while each contributor advances a discrete argument the collection coheres in its shared questions of methodology historicity and ethics Histories of Science expands our record of the past our understanding of the present and our ability to imagine the future

The Postcolonial Jane Austen You-Me Park, Rajeswari Sunder Rajan, 2015-03-24 This volume offers a unique contribution to both postcolonial studies and Austen scholarship by examining the texts to illumine nineteenth century attitudes to colonialism and the expanding Empire revealing a new range of interpretations of Austen's work each shaped by the critic's particular context exploring the ways in which the study of Austen's novels raises fresh issues for post colonial criticism Bringing together work by highly respected critics from four continents and a range of disciplines this newly paperbacked volume allows sometimes surprising and always fascinating new insights into some of the most frequently studied and best loved novels in the English language

Music and Orientalism in the British Empire, 1780s-1940s Martin Clayton, Bennett Zon, 2007 Filling a significant gap in current scholarship the fourteen original essays that make up this volume individually and collectively reflect on the relationship between music and Orientalism in the British Empire over the course of the long nineteenth century

Creole Crossings Carolyn Vellenga Berman, 2018-07-05 The character of the Creole woman the descendant of settlers or slaves brought up on the colonial frontier is a familiar one in nineteenth century French British and American literature In Creole Crossings Carolyn Vellenga Berman examines the use of this recurring figure in such canonical novels as Jane Eyre Uncle Tom's Cabin and Indiana as well as in the antislavery discourse of the period Creole in its etymological sense means brought up domestically and Berman shows how the campaign to reform slavery in the colonies converged with literary depictions of family life Illuminating a literary genealogy that crosses political familial and

linguistic lines *Creole Crossings* reveals how racial sexual and moral boundaries continually shifted as the century's writers reflected on the realities of slavery empire and the home front Berman offers compelling readings of the domestic fiction of Honor de Balzac Charlotte Bront Maria Edgeworth Harriet Jacobs George Sand Harriet Beecher Stowe and others alongside travel narratives parliamentary reports medical texts journalism and encyclopedias Focusing on a neglected social classification in both fiction and nonfiction *Creole Crossings* establishes the crucial importance of the Creole character as a marker of sexual norms and national belonging

The Objects and Textures of Everyday Life in Imperial Britain Janet C. Myers, Deirdre H. McMahon, 2017-05-15 Focusing on everyday life in nineteenth century Britain and its imperial possessions from preparing tea to cleaning the kitchen from packing for imperial adventures to arranging home decor the essays in this collection share a common focus on materiality the nitty gritty elements that helped give shape and meaning to British self definition during the period Each essay demonstrates how preoccupations with common household goods and habits fueled contemporary debates about cultural institutions ranging from personal matters of marriage and family to more overtly political issues of empire building While existing scholarship on material culture in the nineteenth century has centered on artifacts in museums and galleries this collection brings together disparate fields history of design landscape history childhood studies and feminist and postcolonial literary studies to focus on ordinary objects and practices with specific attention to how Britons of all classes established the tenets of domesticity as central to individual happiness national security and imperial hegemony
