make her mark on the world's stage. She has toured the world as a professional dancer going to all the far-flung corners of the globe and at the very young age of twenty-seven has now produced this very interesting and handy book. In it she describes her journey to the top of her game and gives useful and on-point advice to anyone who would be a professional dancer. She covers topics ranging from how to present yourself in auditions to how to navigate the often choppy waters of the world of professional dance, how to stay on top of and ahead of your game, and how to do it with people still liking you in the end. And calling you back to give you more work. This young author is savvy about life and is a driven, motivated go-getter who shows in this book what it means to achieve success that it's not just money and bookings but about a deeper appreciation of life, about strict discipline, emotional intelligence, and having a versatile approach to everything you do. She knows how to use her energy to achieve all she has achieved, and that same energy and drive bounce off the pages of this fascinating book that is both a study of a person in place and time and a very motivational educational piece. Alvin Ailey Bárbara Cruz, 2004. Dance should be art and entertainment, said Alvin Ailey, creative genius behind the world-famous Alvin Ailey Dance Theater company. Colorful, energetic, and theatrical, Ailey's work appeals to people from all walks of life, and his dances celebrate the richness of African American history and culture. The stars did not always shine on Ailey, who was born into a world of poverty and racism. Despite the twists and turns of his life, Ailey never lost sight of his dream. In the years since Ailey's death, his dance company has continued to showcase his unique vision. For this real-life success story, author Barbara C. Cruz paints an animated, candid portrait of one of the most popular and acclaimed dancers and choreographers in the world. Book jacket. **Novel Experiences** Christine Jenkins, Sally Freeman, 1991.
