Gifts from the foot of the Cross Gary Robert Villani, 2018-06-21 Gifts from the foot of the Cross By Gary Robert Villani This volume came to fruition at the request of attendees from many of the Sunday school classes the author has led over the past twenty years The majority of spiritual messages contained in this book came directly from the support material prepared for these sessions which ultimately led to class members stating You've got to put that on paper Gifts from the foot of the Cross is not a devotional The underlying theme of the book is simple and direct it is designed to reach the everyday Christian and let them know they are not alone in facing the stumbles slips trips and falls they may be experiencing in their daily spiritual walk Additionally there are numerous suggestions on how to successfully avoid these pitfalls and each entry is backed by Biblical passages It is Gary's sincere hope that the reader will immediately identify with the material in these stories and subsequently find spiritual support and direction to get back on the spiritual wellness trail *Soulzer* P.I. Maxfield,2021-01-06 Understanding the Trinity All three major religions identify with the God of Abraham They differ in their understanding of Jesus However one God in three persons is found throughout both Old and New Testament Getting to know God is critical for understanding the Bible Yet it seems that many people have not studied this thoroughly and have questions like Is Jesus truly God If so how or why is Jesus the Son of God If Jesus knew everything as God why did he pray If Jesus is God could he have ever sinned What makes God the Father different What or who is the Holy Spirit This book answers all of those questions and more When people ask Does Jesus love me The answer is yes Jesus loves us all but this love is conditional The ways that Jesus loves us are from his own words and covered in the section Jesus loving How Jesus loves us was demonstrated when he sacrificed his life for us so that we might receive forgiveness and the promise of eternal life However

not all will be saved There is only one way to heaven and the Bible says it is appointed for everyone to die once then face judgment Heb 9 27 So there will come a judgment day and whoever rejects Jesus will not have eternal life because God's punishment will remain on them Joh 3 36 The Bible also says many will abandon the faith 1 Ti 4 1 This book will help you become more secure in your faith by getting to know God in the Old Testament and knowing Jesus through the Old and New Testament as the Trinity is explained There is a spiritual battle going on and our eternal destiny is at stake Satan would like to separate you from God and one method is tempting you to doubt Beginning in Genesis 3 when tempting Eve he asked did God really say_____ Since then Satan has continued to insinuate we should doubt what God has said or that he can be trusted You may have heard or even repeated some of the following statements that presumably originated with Satan the father of lies Why would a loving God let bad things happen to good people Hell does not exist Why would a loving God send people to hell You do not really believe that Jesus is the only way to God do you That is narrow minded What about other spiritual leaders like the Buddha or Muhammad What about the people who never heard about Jesus When tempted by Satan Jesus quoted the Bible to refute him You need to be prepared to do the same This book is for everyone because most do not study the Bible Seemingly many Christians either just listen to sermons or only sporadically read the Bible Others may read the New testament but skip the Old thinking it is not relevant anymore or find it difficult to understand However we must consider the Bible as a whole to fully appreciate God To make it easy this book is written so you can skim scan or study like speedreading It includes verses and references to Scripture throughout It is like going through the Bible in chronological order As you grow in your knowledge about the Father Son and Holy Spirit you will find the Bible much easier to understand and draw nearer to God

Celebrating Humanity Jack Bloomfield,2008-03 CELEBRATING HUMANITY We are a divided people We are a divided planet What would it take to see a world transformed into a place where when we see one another our first thought is this is my brother this is my sister this is a member of my family Jack Bloomfield author columnist and humanitarian believes that our divided world is rooted mainly in unchallenged prejudice ignorance and intolerance In Celebrating Humanity Jack shares his insights through an assortment of his columns on The many faces of prejudice most often found in areas of race religion politics social status and sexual orientation The importance of getting closer to those we don t know don t understand or who we are afraid of The need to educate ourselves when it comes to our racial religious cultural or sexual differences The hope that it is possible to change and that unity and understanding among all people is possible He suggests that we must take our own personal inventory to see where prejudice ignorance or intolerance are alive in our own hearts and lives and do whatever it takes to root them out Bloomfield says For some it will be little more than self awareness and a commitment to change while for others it will take a much deeper study of themselves At whatever level we

all must take a look within and when we do healing will be possible and unity and understanding among all people can become a reality
