Structured English Immersion Johanna J. Haver, 2002-11-20 Haver s Structured English Immersion excels in its directives to implement an effective SEI program from start to finish While citing research and giving the pedagogical basis for SEI Haver does not get mired in the theory instead heading directly towards the practice This book is an excellent resource for those schools and districts struggling to implement the best SEI program for their LEP students Education Leaders Council Weekly Policy Update May 2003 This book is very helpful not only to LEP teachers but also to administrators who are responsible for setting up a program Arlene Myslinski High School ESL Teacher Buffalo Grove High School Illinois The strength of this book lies in its many strategies for English Immersion programs as well as help for the regular teacher as the English learner is mainstreamed These strategies cover all grades both elementary and secondary Nancy Law Educational Consultant Sacramento City Schools California Unlock the mystery and potential of Structured English

Immersion Several states have mandated Structured English Immersion SEI for their English Language Learners ELL but there are few resources to help teachers and administrators implement this highly effective program At last a guide has emerged that explains what SEI is and how it works in the classroom Educators are taken through a process that guarantees success for ELLs at any skill level Experienced teacher and researcher Johanna Haver shows how easy it is to ensure that ELLs gain mastery of English and also learn the essentials of the mainstream curriculum in this easy to follow manual The many benefits teachers and administrators will find in this book include Comprehensive definitions of SEI and the research that supports it Explanation of evaluation and assessment procedures Realistic timelines goals and strategies for mainstreaming students Real life examples from exemplary SEI programs Step by step guidance on implementing SEI techniques in SEI and mainstream classes Suggestions for maintaining native languages Tips on including parents Teachers with a background in bilingual education as well as those teachers who are dealing with ELLs for the first time will find this book an invaluable resource In addition administrators will find helpful information about starting an SEI program at their school

Effective Literacy Assessment in the Montessori Classroom Natasha Feinberg, Susan Zoll, 2025 From the authors of *Powerful Literacy in the Montessori Classroom* this new book focuses on the practical implementation of Montessori teaching and assessment methods The authors describe how reading research and Montessori's scientific pedagogy and language curriculum play out in actual classrooms through concrete examples of structured literacy instruction Using the timeline of a typical school year as a framework the book contains three primary sections 1 Starting the School Year Setting the Stage so Reading Improves for Every Student 2 All School Year Long Integrating Data Progress Monitoring and Instruction to Maximize Reading Success for All Students and 3 Wrapping up the School Year Prioritizing Keeping On and Defining Next Steps Each section contains an overview of current research and theorists to delineate assessments and literacy goals prioritized at these key points across the academic year Chapters feature activities assessments and case studies adapted from diverse Montessori classrooms

Book Features Shows what the Montessori curriculum looks like when reading research currently known as the science of reading is implemented Demonstrates how lessons a comprehensive assessment system and logistics work in a real world setting Defines the Montessori curriculum as both comprehensive and integrated showing that materials for building reading skills background knowledge and vocabulary are found throughout the classroom through a single curriculum Helps Montessori educators and administrators especially those working in publicly funded schools address state legislation requiring approved curriculum aligned to the science of reading Supports all educators interested in meeting reading legislation
