Red Green Coalition In Germany Politics Personalities And Power

Tom Dyson

Red Green Coalition In Germany Politics Personalities And Power:

The Red-green Coalition in Germany Charles Lees,2000 This text provides a perspective on the politics and personalities of post war Germany s most unstable and apparently unpredictable national government to date The author uses previously unpublished research into Red Green coalitions in the German Lander in order to understand more clearly the nature of the pressures acting upon Germany s first national coalition between the Social Democrats and the Greens Charles Lees argues that the Red Green coalition is best understood as part of an ongoing process of political co operation between two distinct and often antagonistic parties Grounded and introduced in the context of recent work on coalition theory and public policy analysis the book examines the trail of political trial and error that has led the two parties from the mutual suspicion of the early 1980s to being partners in national government today Drawing on the political history of Red Green coalitions in Germany the author explains why Chancellor Schroeder s 1998 election triumph provoked such excitement and why his government s subsequent political travails could have been predicted

Continuity and Change in German Politics Stephen Padgett,Thomas Poguntke,2002 Over three decades Gordon Smith has written authoratively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic upheaval of unification

Collective Leadership and Divided Power in West European Parties Donatella Campus,Niko Switek,Marco Valbruzzi,2021-06-12 Political science research especially in recent times has recognized the centrality of party and executive leaders and their individual characteristics The attention has been mostly directed towards individual leadership However one chief leadership is not the only existing model of party governance and some recent developments seem to have put forms of collective leadership into the spotlight Two parties that have recently achieved remarkable electoral results the Italian Five Star Movement and the German Alliance 90 The Greens can be considered examples of alternative models of leadership This book calls for a deep and systematic analysis of cases of parties in which powers and responsibilities appear to be shared among different individuals rather than being concentrated in the hands of just one leader Drawing on the literature of organization and management theory the book fills a gap in the literature of political science by developing a theoretical framework that may provide researchers with the tools for proceeding with the analysis of cases of party collective leadership To illustrate their approach the authors have selected three cases the German Greens Alternative for Germany and the Five Star Movement in Italy that show significant variation across types of collective leadership The outcome of the empirical analysis contributes to a better knowledge of the nature and functioning of party leadership as well as raises questions that could be further addressed in future research

The Politics of German Defence and Security Tom Dyson,2008-03-01 The post Cold War era has witnessed a dramatic transformation in the German political consensus about the legitimacy of the use of force However in comparison with its EU

and NATO partners Germany has been reticent to transform its military to meet the challenges of the contemporary security environment Until 2003 territorial defence rather than crisis management remained the armed forces core role and the Bundeswehr continues to retain conscription The book argues that strategic culture provides only a partial explanation of German military reform It demonstrates how domestic material factors were of crucial importance in shaping the pace and outcome of reform despite the impact of international structure and adaptational pressures from the EU and NATO The domestic politics of base closures ramifications for social policy financial restrictions consequent upon German unification and commitment to EMU s Stability and Growth Pact were critical in determining the outcome of reform The study also draws out the important role of policy leaders in the political management of reform as entrepreneurs brokers or veto players shifting the focus in German leadership studies away from a preoccupation with the Chancellor to the role of ministerial and administrative leadership within the core executive Finally the book contributes to our understanding of the Europeanization of the German political system arguing that policy leaders played a key role in uploading and downloading processes to and from the EU and that Defence Ministers used Atlanticization and Europeanization in the interests of their domestic political agendas

Party Politics in Germany C. Lees, 2005-09-20 Party Politics in Germany is the only English language study of its kind and examines the phenomenon of party politics in the Federal Republic through comparison across time and space It draws upon new data from the 2002 Federal elections and recent Land elections as well as on a far more explicitly comparative literature than is generally found in single country studies The book not only sheds new light on political phenomena in Germany but also allows students of the comparative method to apply some of the key concepts models and approaches with which they are familiar to the rich context of a single country study

Politics in Germany M. Donald Hancock, Henry Krisch, 2008-07-10 Take a sneak peak inside Click on the links below to preview the Introduction and Chapter 1 Order your exam copy today by clicking on the Request an Exam Copy link above Introduction Chapter 1 Germans born in the second decade of the last century will have been a subject of no less than six political regimes seven if they lived in the former German Democratic Republic Today Germany s democratic polity pluralistic society institutional structures and market economy are growing increasingly strong In clear and compelling prose Hancock and Krisch argue that German politics today is the politics of a normal European democracy moving toward the EU The authors discuss Germany s course of modernization which involves rapid industrialization and social development following the nation s first unification in 1871 and its subsequent torturous course of political change embracing Imperial authoritarianism the democratic experiment of the Weimar Republic Nazi totalitarianism and postwar variants of communism and Western style democracy Chapters detail the country s political history as well as its culture new constitutional debates parties and economic policy and culminate in a look at Germany in global context Adopt together with Politics in Britain and Politics in France and pass savings along to your students For pricing and ordering information please contact us at <mailto:collegesales@cqpress.com>

The Left Party

in Contemporary German Politics Dan Hough, M. Koß, Jonathan Olsen, 2007-09-12 This is the first book in either English or German to analyse the development of Germany's newest political party the Left Party It compares and contrasts the party's development with that of Germany's most well known outsider party the Greens It also analyses the party's performance in office in two eastern German Länder **The Politics of the New Germany** Simon Green, 2013-03-01 The Politics of the New Germany continues to provide the most comprehensive authoritative and up to date textbook on contemporary German Politics The text takes a new approach to understanding politics in the post unification Federal Republic Assuming only elementary knowledge it focuses on a series of the most important debates and issues in Germany today with the aim of helping students understand both the workings of the country's key institutions and some of the most important policy challenges facing German politicians For this second edition the content has been comprehensively updated throughout augmented by additional factboxes and data and features new material on Grand coalition Lisbon treaty Constitutional court Financial crisis Reform of social policy Afghanistan Written in a straightforward style by three experts each of the chapters draws on a rich variety of real world examples In doing so it highlights both the challenges and opportunities facing policy makers in such areas as foreign affairs economic policy immigration identity politics and institutional reform The book also takes a bird's eye view of the big debates that have defined German politics over time regardless of which political parties happened to be in power It pinpoints three key themes that have characterised German politics over the last sixty years reconciliation consensus and transformation The book is a comprehensive yet highly accessible overview of politics in 21st Century Germany and should be essential reading for students of politics and international relations as well as of European and German studies **The European Union and South East Europe** Andrew Geddes, Charles Lees, Andrew Taylor, 2013-05-02 This book explores the interaction of the EU in Greece Slovenia Croatia and Macedonia in three key policy sectors cohesion border managements and the environment and assesses the degree to which the European Union's engagement with the democracies of South East Europe has promoted Europeanization and Multi Level Governance Although there is a tendency to view the Balkans as peripheral this book argues that South East European states are central to what the EU is and aspires to become and goes to the heart of many of the key issues confronting the EU It compares changing modes of governance in the three policy areas selected because they are contentious issues in domestic politics and have trans boundary policy consequences in which there is significant EU involvement The book draws on over 100 interviews conducted to explore actor motivation preferences and perceptions in the face of pressure to adapt from the EU and uses Social Network Analysis Timely and informative this book considers broader dilemmas of integration and enlargement at a time when the EU's effectiveness is under close scrutiny The European Union and South East Europe will be of interest to students and scholars of European politics public policy and European Union governance and integration

Politics in Europe M. Donald Hancock, Christopher J. Carman, Marjorie Castle, David P. Conradt, Raffaella Y.

Nanetti, Robert Leonardi, William Safran, Stephen White, Michelle Hale Williams, Mary N. Hampton, 2018-05-09 Politics in Europe Seventh Edition introduces students to the power of the European Union as well as seven political systems the UK France Germany Italy Sweden Russia Poland within a common analytical framework that enables students to conduct both single case and cross national analysis Each case addresses the most relevant questions of comparative political analysis who governs on behalf of what values with the collaboration of what groups in the face of what kind of opposition and with what socioeconomic and political consequences Packed with captivating photos and robust country descriptions from regional specialists the Seventh Edition enables students to think critically about these questions and make meaningful cross national comparisons

The Länder and German federalism Arthur Gunlicks, 2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license An illuminating introduction to how the Länder the sixteen states of Germany function not only within the country itself but also within the wider context of European political affairs Looks at the Länder in the constitutional order of the country and the political and administrative system Their organization and administration is fully covered as is their financial administration The role of parties and elections in the Länder is looked at and the importance of their parliaments The first work in the English language that considers the Länder in this depth

German Foreign Policy Since Unification Volker Rittberger, 2001 This book examines the extent to which German foreign policy has changed since unification and analyzes the fundamental reasons behind this change The book has three main aims The essays develop theories of foreign policy to predict and explain Germany's foreign policy behavior They test competing predictions about German foreign policy behavior since unification in several issue areas They also assess the much debated question as to whether post unification Germany's foreign policy is marked by continuity or change

The Future of the German Economy Rebecca Harding, William E. Paterson, 2000 Flagships of Imperialism is the first scholarly monograph on the history of the P&O the founders attitudes to technical advances the shareholding base the company's involvement in the opium trade and with its acquisition of mail Admiralty and other government contracts It was the P&O's status as a government contractor which above all else implicated its fortunes in the wider politics of empire as illustrated by the book's concluding account of the company's rescue from the edge of a financial precipice by the award of a new government mail contract prompted among other things by the Abyssinian expedition of 1867 Flagships of Imperialism will be of interest to transport and company historians and to historians of the British empire alike as well as to anyone interested in the history of British ships and shipping in the nineteenth century

German electoral politics Geoffrey Roberts, 2013-07-19 The study of German electoral politics has been neglected of late despite being one of the most pervasive elements of the German political process Geoffrey Roberts exciting new book argues that concentration on electoral politics facilitates deeper understanding and appreciation of German political system It provides explanations

Governing Sustainable Urban Renewal Rory Shand, 2013-09-02 Environmental and sustainability issues are currently stretched by

economic concerns and policy areas such as housing and education are therefore needed more than ever to help regenerate the social and urban environment. *Governing Sustainable Urban Renewal Partnerships in Action* uses detailed case studies from the UK, Germany and USA to explore the effect of institutional design and modes of governance and evaluates policy outputs, outcomes and best practice. In doing so, it illustrates where power and decision making lies in the delivery of urban renewal initiatives and examines the roles for communities in the governance process. The analysis offers insight into the formation of partnerships and networks that can help to overcome many of the obstacles faced in urban renewal and in the promotion of sustainable development in core urban areas. Given the increasing commitment of governments throughout the world to renewal as a means for resolving entrenched environmental, social and governance problems, this timely new study should be of interest to students and researchers across a range of disciplines including environment studies, geography, public policy, governance and politics, sustainable development, planning and urban studies.

The Presidentialization of Political Parties Gianluca Passarelli, 2015-08-18 This book explains why the level of party presidentialization varies from one country to another. It considers the effects of constitutional structures as well as the party's original features and argues that the degree of party presidentialization varies as a function of the party's genetics.

How and why Do Policies Change? Isabelle de Lovinfosse, 2008 How and why do policies change? The author addresses this question by examining the renewable electricity policies of five European countries: Belgium, Denmark, Germany, the Netherlands and the UK over the last thirty years. Employing a comparative approach that is qualitative yet consistent and rigorous, she describes how these countries' policies changed over time, whether incrementally or comprehensively, and shows how those changes may be explained, citing political, economic, social and technological factors.

Germany and European Order Adrian Hyde-Price, 2000 Established in the belief that imperialism as a cultural phenomenon had as significant an effect on the dominant as it did on the subordinate societies, the *Studies in Imperialism* series seeks to develop the new socio-cultural approach which has emerged through cross-disciplinary work on popular culture, media studies, art history, the study of education and religion, sports history and children's literature. The cultural emphasis embraces studies of migration and race, while the older political and constitutional, economic and military concerns are never far away. It incorporates comparative work on European and American empire building with the chronological focus primarily, though not exclusively, on the 19th and 20th centuries when these cultural exchanges were most powerfully at work. This work explores the sexual attitudes and activities of those who ran the British Empire. The study explains the pervasive importance of sexuality in the Victorian Empire, both for individuals and as a general dynamic in the working of the system. Among the topics included in the book are prostitution, the manners and mores of missionaries and aspects of race in sexual behaviour.

Dialogues on Migration Policy Marco Giugni, Florence Passy, 2006-03-30 *Dialogues on Migration Policy* brings together leading American and European scholars of immigration politics to address migration policy. Editors Marco Giugni and Florence Passy's aim to

present a number of informed dialogues addressing three main theoretical concerns in this field the role of the national state in a globalizing world the determinants of policy change and the role of collective interests in migration policy Adopting an unconventional format the novelty of Dialogues on Migration Policy lies in the fact that it is structured around a series of debates among authors In each debate expert contributors working in different theoretical traditions and with divergent views on the subject matter confront each other followed by a commentary from a leading scholar based on her his reading of these authors views These lively debates are certain to engage scholars of migration political science and sociology

In search of social democracy John Callaghan, Nina Fishman, Ben Jackson, Martin McIvor, 2017-05-26 This electronic version has been made available under a Creative Commons BY NC ND open access license The search for social democracy has not been an easy one over the last three decades The economic crisis of the 1970s and the consequent rise of neo liberalism confronted social democrats with difficult new circumstances tax resistant electorates the globalisation of capital and Western deindustrialisation In response a new bout of ideological revisionism consumed social democratic parties But did this revisionism simply amount to a neo liberalisation of the Left or did it propose a recognisably social democratic agenda Were these ideological adaptations the only feasible ones or were there other forms of modernisation that might have yielded greater strategic dividends for the Left Why did some social democratic parties feel it necessary to take their revisionism much further than others In search of social democracy brings together prominent scholars of social democracy to address these questions Focusing on the social democratic heartland of Western Europe although Australia and the United States also figure in the analysis it gives the first detailed assessment of how the new social democratic revisionism has fared in government The book begins by considering the underlying causes of the end of social democracy s golden age and the magnitude of the challenges faced by social democratic parties after the 1970s It then proceeds to examine detailed case studies of how particular social democratic parties responded to this changed political terrain Finally it contributes to a broader conversation about the future of social democracy by considering ways in which the political thought of third way social democracy might be radicalised for the twenty first century The contributors offer a variety of perspectives some are sceptical of social democracy s prospects others more sanguine some supportive of the performance of social democratic parties in government others bitingly critical But they are united by the conviction that the themes addressed in this book are crucial to understanding the current politics of the industrialised world and in particular to determining the feasibility of more egalitarian and democratic social outcomes than have been possible so far in the era of neo liberalism

Unveiling the Magic of Words: A Review of "**Red Green Coalition In Germany Politics Personalities And Power**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Red Green Coalition In Germany Politics Personalities And Power Introduction

In today's digital age, the availability of Red Green Coalition In Germany Politics Personalities And Power books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Red Green Coalition In Germany Politics Personalities And Power books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Red Green Coalition In Germany Politics Personalities And Power books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Red Green Coalition In Germany Politics Personalities And Power versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Red Green Coalition In Germany Politics Personalities And Power books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Red Green Coalition In Germany Politics Personalities And Power books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Red Green Coalition In Germany

Politics Personalities And Power books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Red Green Coalition In Germany Politics Personalities And Power books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Red Green Coalition In Germany Politics Personalities And Power books and manuals for download and embark on your journey of knowledge?

FAQs About Red Green Coalition In Germany Politics Personalities And Power Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Red Green Coalition In Germany Politics Personalities And Power is one of the best book in our library for free trial. We provide copy of Red Green Coalition In Germany Politics Personalities And Power in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Red Green Coalition In Germany Politics Personalities And Power. Where to download Red
