With Uplifted Head Al Machiela, Dan Lioy, 2007-10-01. *With Uplifted Head* Preaching Hope is a book that exalts Christ by giving insight into the biblical teaching about hope. The book also shows interested readers how to preach in a way that will foster hope among members of their congregations. Because the book is designed for both pastors and lay church leaders, it does more than just present a theological understanding of biblical hope. It also has plenty of suggestions for preaching hope directly and indirectly. The authors maintain that only biblical hope focused on the resurrection and affirmed by the renewing Holy Spirit can change believers internally and create anticipation for a future in the presence of the living God.

By the Waters of Babylon Scott Aniol, 2019-03-21. A guide to biblically shaped worship which has the greatest missional impact in a post-Christian culture. *By the Waters of Babylon* examines a relationship between worship culture and evangelism that is centered in a desire for biblical fidelity rather than cultural relevance. Imagine how the Hebrews felt during their years of

captivity in Babylon How could they sing the songs they once sang in the spender of Jerusalem now that they sat in exile Christian worship in the West faces many of the same challenges as this tragic account of Israel s captivity By all accounts Christendom is dead and unbiblical beliefs have progressively permeated Western thought expectations and culture So how should churches respond to this seismic shift in their relationship with an increasingly post Christian culture while still following the biblical mandate to reach that culture with the gospel of Jesus Christ By the Waters of Babylon will help Christians wrestle through this critical issue of the relationship between Christian worship and evangelistic witness especially in the context of an increasingly hostile culture The author demonstrates that biblically regulated gospel shaped corporate worship that communicates God s truth through appropriate cultural forms will have the most missional impact in a post Christian context
