Rediscovering The West :

Rediscovering the West Stephen C. Rowe, 1994-08-16 An inquiry into how westerners can tap into their own philosophical and spiritual traditions to grow beyond their unsteadiness of relations inner dullness and underlying absence of vision or orientation and become more alert compassionate and intelligent Reviews the Zen worldview and such western traditions as the mystical Christ Socrates and Jesus as Christ and describes how to learn relatedness through practice rather than mere thinking Annotation copyright by Book News Inc Portland OR [China Rediscovered Her West](#) Yi-fang Wu, Frank Wilson Price, 1942 [Rediscovering Natsume Sōseki](#) , 2021-12-28 First publication in English of Soseki s travels through Manchuria on the then recently acquired South Manchurian Railway 6 week travelogue including boat from Osaka to Dairen railway up the Liaodong Peninsular to Fushun Many descriptions of Manchuria It is a lively informative and sometimes very funny narrative which reveals Soseki s wit and Western style humour in observing the human condition as well as the literary techniques that characterize his subsequent achievements in shaping the modern Japanese novel The Introduction by Inger Sigrun Brodey provides both a new perspective on Soseki the man and writer as well as an insightful commentary on the SMR journey itself and the place of the travelogue in Soseki s writings A selection of Sammy Tsumematsu s collection of previously unpublished photographs of Soseki is also included **Global West, American Frontier** David M. Wrobel, 2013-10-15 This book examines how travel writers viewed the American West from the age of Manifest Destiny through the Great Depression In the nineteenth century the West was often presented as one developing frontier among many in the twentieth century travel writers often searched for American frontier distinctiveness Provided by publisher Provided by publisher **Rediscovering God's Grand Story** James M. Roseman, 2017-09-15 In the passage to modernity we in the West have lost the ability to see things whole We ve closed our minds to all things transcendent and default to unbelief and can t make sense of the persistent echoes of the voice of God that reverberate in our souls In Rediscovering God s Grand Story James Roseman picks up the strands of science philosophy history the arts and theology and reweaves the tapestry to see a coherent story that makes the best sense of the world and provides real meaning and significance to our lives God s Grand Myth We see that the signals of transcendence that confound our culture of doubt are a universal language and vocabulary of the heart echoing the voice of God and in the very Judeo Christian story we so readily jettison is found the Author enabling us to see the world whole again This essay tells why the story and promise of Christianity is so hard to hear today but won t go away Could it be that as T S Eliot wrote in the mid twentieth century at the end of all our exploring will be to arrive where we started and know the place for the first time *Rediscovering the West* , 1960 [The Way of Psychology](#) Joseph Anthony Narciso Z. Tiangco, 2008 [Rediscovering the Umma](#) Ina Merdjanova, 2016 This book discusses the role of Islam in the political and social developments in the Balkans after the fall of communism It explores comparatively the transformations of Muslim identities under the influence of various national and transnational domestic and global factors

somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man's own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1:2 all the way to Revelation 22:17 The Spirit's work is as essential as the Father's and the Son's yet the Spirit's work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit's mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God's Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives Leo Strauss and the

Rediscovery of Maimonides Kenneth Hart Green,2013-05-16 In Leo Strauss and the Rediscovery of Maimonides Kenneth Hart Green explores the critical role played by Maimonides in shaping Leo Strauss's thought In uncovering the esoteric tradition employed in Maimonides's Guide of the Perplexed Strauss made the radical realization that other ancient and medieval philosophers might be concealing their true thoughts through literary artifice Maimonides and al Farabi he saw allowed their message to be altered by dogmatic considerations only to the extent required by moral and political imperatives and were in fact avid advocates for enlightenment Strauss also revealed Maimonides's potential relevance to contemporary concerns especially his paradoxical conviction that one must confront the conflict between reason and revelation rather than resolve it An invaluable companion to Green's comprehensive collection of Strauss's writings on Maimonides this volume shows how Strauss confronted the commonly accepted approaches to the medieval philosopher resulting in both a new understanding of Maimonides and a new depth and direction for his own thought It will be welcomed by anyone engaged with the work of either philosopher **Rediscovering Paul** David B. Capes,Rodney Reeves,E. Randolph Richards,2011-09-28 David Capes
