Refereed and Nonrefereed Economic Journals A. Carolyn Miller, Victoria J. Punsalan, 1988-01-20 Includes table on journals reviewing criteria and a geographic index to journals by country      **Canonizing Economic Theory** Christopher D. Mackie, 2016-07-11 Historians of economic thought traditionally summarize critique and trace the development of existing theory History of thought literature provides information about the authors chronology and relative importance of influential works Generally missing from the literature however are answers to questions about why economic theory exists in its current form Why have economists chosen the theories they have to represent the discipline s formal content What are the criteria that determine the value of a theory or of research in general and how have these criteria changed over time In this insightful and well written work Christopher Mackie analyzes how ideas and theories are accepted in economics from the pre publication phase to the point at which once written a theory enters the accepted body of professional literature Drawing from economics the history of science and philosophy Mackie shows how both empirical and non empirical criteria determine how theory will actually evolve      Handbook for Academic Authors Beth Luey, 2002-06-10 In this fourth edition Beth Luey offers up to date advice to academic authors      *Directory of Scholarly Journals in Turkey* Metin Kozak, Nazmi Kozak, 2017-03-07 Scholarly journals are the capillaries of the scientific world ensuring the circulation of knowledge Moreover scholarly journals guide and indicate the scientific development in an academic field of study or in a country Scholarly journals which transfer and spread scientific information are intended to properly fulfill their functions preventing the transfer of imperfect or incorrect information to the science world Significant issues are therefore inevitable in the characteristics of scientific studies in such disciplines and countries where the scholarly journals do not fulfill their functions properly This study encompasses all scholarly journals published in Turkey in all fields of science and other disciplines The reference questions in this study are grouped under three main categories the contact and publication information article evaluation and publishing information The number of journals in this present study totals 1 910      **Guide to Reference Books** Robert Balay, Eugene Paul Sheehy, 1992 The 10th edition of the Guide 1986 is one of a small core of references essential to the day to day operations of Reference and Research Book News it was enthusiastically reviewed in our May 1987 issue and we trust to librarians and researchers everywhere This Supplement the only one to the 10th edition lists 4 668 titles that cover reference publishing from the end of December 1984 through the end of 1990 As in prior editions the focus continues to be on reference works for scholarly research but representative works intended for general reference are included as well Member price 76 50 Annotation copyright by Book News Inc Portland OR      **Journal of Economic Literature** , 1988      The Job Market of the Future James Cooke Brown, 2001      **The American Economic Review** , 1991 Includes annual List of doctoral dissertations in political economy in progress in American universities and colleges and the Hand book of the American Economic Association      **Writing and Publishing for Academic Authors** Joseph Michael

Moxley,1992 This book offers an inside look at how to publish scholarly articles book reviews magazine articles and commercial and scholarly books Copyright Libri GmbH All rights reserved      Research and Publication ,1992

**Publishing Economics** Joshua Gans,2000 Economists tend to attach more value to the publication of articles in the refereed journals than to the publication of books This volume contains 15 articles on the practices of economic journals It addresses issues such as referees and editors professional etiquette and co authorship      **Accessions, Books, Selected Articles, Periodicals** Organisation for Economic Co-operation and Development. Library,1988      *Review of Industrial Organization* ,1989      **Publish, Don't Perish** Joseph Moxley,1992-08-30 Expressing a strongly positive view of the value of academic publishing that reaches far beyond what is implied by the book title Moxley offers informed suggestions to faculty members for conceiving developing and publishing scholarly documents as books or journal articles His book discusses the composing processes of successful writers and provides specific guidelines for various types of writing including abstracts book proposals and grant proposals Writers are instructed in applying the standards and techniques used by professional editors for evaluating and editing manuscripts Moxley also addresses political and economic factors that impinge on what is written and published and suggests ways to involve institutions and professional organizations in motivating scholarship writing and publishing      **Information-Finding and the Research Process** Antony E. Simpson,1993-12-07 This guide to information finding sources and techniques is attuned to the needs of researchers in all the social and behavioral sciences with a particular focus on public administration and related fields This guide is unique in its analyses of how to design the research process in an evolving manner using approaches that reflect combinations of models methods and data sources This guide is also comprehensive in its coverage of a broad spectrum of the important primary and secondary source materials in all their current forms Students and researchers in the policy sciences especially at the graduate level will find this research and reference guide an essential one Simpson s broadly conceived guide covers sources and methods of approach to doing social science research The book opens with an analysis of information finding and public administration as a special and disparate series of fields for study Subsequent chapters discuss research strategies and designs and offer annotative bibliographies evaluating the usefulness of primary and secondary sources examining guides to the literature the conventional library catalog journal literature indexing and abstracting services computer searches separately published bibliographies public statistics machine readable data files government documents sources of methodology and research instruments other sources of information archives and other primary sources and annual reviews This topical and logically developed set of chapters makes the guide easy to use and a general subject index makes this reference most accessible      **American Book Publishing Record** ,1988      **The Economist's Handbook** Thomas L.
