Vietnam Veterans of America **Why Vietnam** Margaret Colbert Brown, 2025-03-30 Explores the complex reasons behind the USA's involvement in Vietnam, analyzing political, social, and military factors. The reasons behind the USA's involvement in Vietnam remain a subject of extensive debate. Initially, America supported the French until their defeat at Dien Bien Phu, which then shifted to backing the South Vietnamese government due to fears of communism spreading throughout Southeast Asia. *Why Vietnam* delves into the myriad reasons for US involvement, examining theories that date back to 1918 when Woodrow Wilson ignored Ho Chi Minh's plea for independence at the Treaty of Versailles through to Johnson's full commitment to the undeclared war, which restrained the military to a defensive role in protecting South Vietnam instead of an offensive one that would send troops across the DMZ into Laos and Cambodia. The questions of why the USA became involved, whether their involvement was justified, and if the war was ever winnable have been fiercely debated for over 50 years. This book seeks to address these whys by providing a

thorough examination of all contributing factors from presidential actions to foreign policy and the social and political climates of the war era

The Vietnam War Experience Paul M Ryan, 2020-09-09 The intent of this book is first to provide insights into the Vietnam war and second to express the effects of that war on both the veteran and society Serving in a war zone necessarily affects the psyche sometimes producing symptoms of mental illness It also affects the veteran morally emotionally and too often physically The stories are meant to elucidate the psychological and other effects that war inflicts Often an affected veteran may not realize psychiatric symptoms or their cause Veterans who read this work will recall their military service and also gain some insight into symptoms that they may have experienced or continue to experience as a result of their service The stories are a mix of fact and fiction Some stories are based on the author's experience in Vietnam and on his experience in representing disabled veterans and others with claims for disability benefits Some stories or parts of stories are based on reports of fellow soldiers or on impressions of what likely occurred the product of fact and the author's imagination The poems were written during time served in Vietnam They reflect thoughts that most GIs had at one time or another Hopefully this book will help veterans cope with illnesses and disabilities that were occasioned by their time in the military It is hoped that society will learn how to relate with courtesy and respect to those who now serve or have served our nation in its various wars
