*Reflections from the Inner Light* James R. Newby, 2019-07-30 In this important book of Quaker spirituality Jim Newby writes about his spiritual journey and the ways he has sought to navigate an increasingly complex world and understand his purpose in it A lifelong Quaker Newby seeks to discern the primary ways in which he has grown spiritually which are divided into the following parts turning inward community and relationship pain and growth path of a seeker and affirmations Each chapter within these parts concludes with queries to encourage readers to reflect upon their own spiritual journeys Readers may find what Newby writes humorous or his writing may provoke tears questions and challenges to one's beliefs Humor and tears questions and spiritual challenges are all of God for to grow in Spirit encompasses all the feelings and emotions through which we pass in this life In the words of Newby's late friend and author Malcolm Muggeridge Every happening great and small is a parable whereby God speaks to us and the art of life is to get the message These reflections are Newby's attempt to get the message **Catholic Reflections for July 2025** Yohanes Rifai Alwan, 2025-03-10 Catholic Reflections

for July 2025 **Illuminati Bible of Divine Light: Part one** Sorin Cerin, 2021-07-10 With the appearance of my first

philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin *Daily Reflections on Addiction, Yoga, and Getting Well* Rolf Gates, 2018-09-25 Deeply personal essays and daily prompts for self reflection while healing from addiction and walking the road of recovery from the author of Meditations from the Mat and Meditations on

Intention and Being You are a process that has called forth a teaching for this day This teaching will not be new to you rather it will be reminding you of what you already know Reminding you of who you already are Rolf Gates author of Meditations from the Mat has walked the walk of the 12 step method of recovery while traveling down the Buddhist eightfold way and practicing the Eight Limbs of Classical Yoga His integrated approach has been the key to his understanding of sobriety for over 25 years In his series of 365 essays Gates explores the lessons and experiences from his own practice and study classical teachings and his career as a teacher and coach Each eloquent and brief essay is accompanied by a self reflection prompt to help guide you on your journey of introspection and change As the co founder of the Yoga Recovery Conference at Kripalu Center for Yoga and Health and Esalen Institute Gates has made a significant contribution to understanding the role that yoga can play in recovery from addiction With his personalized approach to both the modern and classic teachings and by embedding it within the space of the human heart and everyday life Gates is a solid guide to finding and living the freedom that lives within each of us
