Haas,2006-04 Contains creative prayers services for each week of Year B Designed with the WCC approach in mind Includes original music Waiting in Hope Tony Alonso,2006 The solution to truly celebrating Advent isn't to simply ignore everything around us but in finding ways to pray and reflect each day amid all this activity We need to reflect on what God is asking of us during this time of year and find ways to live out the message of the Gospel each day This book can help young people set the course for their Advent journey The prayers reflections and other information provided are tools to help them enter more deeply into the richness of this season *Sunday Matters* Mark O'Brien,2012-12-31 Recently Pope Benedict remarked the quality of homilies needs to be improved The Pope made this comment in the context of his extended reflection on the recent Synod in Rome 2010 on the word of God in the mission and life of the Church The homily is an integral part of Christian liturgy It is an honoured way of bringing the word of God to life such that people are helped to see the relevance of the word in their everyday lives The homily is also an art form which needs to be practised and developed with skill It seems to me as a preacher myself that what people are looking for in the homily is an articulate faith filled knowledgeable commentary on the word of God which speaks to their everyday life and experience People want to see the fire desire and conviction in the person who preaches This is a constant challenge Mark O'Brien here presents his reflections on Year C of the lectionary based on the Gospel of Luke This is the companion volume to the earlier ones for Years A and B Mark offers homilists a great service here In two to three pages or several hundred words he gives an erudite and practical reflection on the word of God for the particular Sunday or feast as a good foundation on which any homilist can then build Pope Benedict continues The art of good preaching based on the lectionary is an art that needs to be cultivated In these short but insightful reflections on the readings of the lectionary Mark makes an excellent contribution to developing the art form of good preaching to the benefit of both those who preach and those who hear them Rev Dr Brian Boyle Academic Dean Catholic Theological College
